

COLORADO • SINCE 1878

CITY OF LOUISVILLE UTILITY RATES-RESIDENTIAL EFFECTIVE 01/01/12

Effective January 2012, the City of Louisville water rates will increase by 6.0% and stormwater services will remain at \$3.25/resident. The residential sewer rate will increase by 4.0% to \$15.66/month. The minimum charge for water includes up to 5000 gallons/month and is increasing \$.65 from \$10.75 to \$11.40 per month. In addition, the volume usage rates will increase at the same percentage for residential usage exceeding 5000 gallons/month. The bills for January usage dated February 7th, 14th, 21st, & 28th will be the 1st invoices to reflect this increase. **The total minimum monthly billing for all residential water/sewer/stormwater accounts will now be \$30.31. Reminder: the cost per 1000 gallons increases substantially when usage exceeds 20,000 gallons per month.**

The new utility rates for multi-family can be viewed on the City's website by clicking on the link for Commercial water and sewer rates at:
