

# PUBLIC MEETING NOTICE

Thursday, February 2, 2012

6:30 to 8:00 pm - Superior Town Hall - 124 E Coal Creek Dr.

## US 36 and McCaslin Blvd. Interchange

*Near-term Conceptual Alternatives Assessment*

### **WHAT? A Public Meeting!**

The City of Louisville and the Town of Superior, in association with the Colorado Department of Transportation (CDOT), invite residents, commuters, business and property owners interested in seeing improvements to the US 36 and McCaslin interchange.

### **WHY? To Discuss Initial Options for Near-Term Improvements**

The two municipalities have developed a shortlist of alternatives for public discussion. The intent of the meeting is to gain public feedback on the initial set of alternatives. A preferred alternative will be refined and presented back to the public prior to both municipalities submitting their preference to the Colorado Department of Transportation.

### **WHEN? Thursday, February 2, 2012**

The meeting is being held at the Superior Town Hall - 124 E Coal Creek Dr., from 6:30 pm to 8:00 pm. The meeting format will be an open house with a formal staff presentation at 7:00 pm.
