COMMUNITY SAFETY MEETING

LOCATION: Ascent Community Church, 550 South McCaslin Blvd., Louisville	DATE: January 16, 2017	TIME: 6:00 p.m. – 8:00 p.m.
---	----------------------------------	---------------------------------------

Please join the City of Louisville and Boulder County District Attorney Stan Garnett as they host a community meeting in Louisville on January 16, 2017 at 6:00 p.m. to discuss protection concerns in Boulder County. U.S. Attorney Bob Troyer and representatives from Boulder County Health will also be in attendance.

Recent debate in the United States has caused concern on issues of deportation, hate crimes and harassment. Boulder County's Immigrant Protection Initiative assures the protection under Colorado law of everyone in Boulder County, regardless of language spoken, immigration status, ethnic heritage, religious belief, LGBTQ identification or any other personal characteristic. Every human being is protected by Colorado law.

To be successful, law enforcement needs the trust and confidence of the community. This meeting is to remind the community of our commitment to fair treatment of you, answer any questions regarding concerns you may have regarding protection issues, and to discuss the procedures for reporting a crime.

This meeting is open to everyone, not just Louisville residents. Please join us on January 16th at the Ascent Community Church in Louisville!
