Authority Business

- A. Public Hearing – Special Events Permit Application – Superior Rugby Football Club – Community Park – September 29 and 30, 2018

Chairperson Carlson opened the hearing on the special events permit application for Superior Rugby Football Club.

Secretary noted the application was complete and provided to the Authority members. The event was posted according to State law and one objection was filed.

Carlson called for member disclosures and hearing none, he moved the entire application and the written protest be made a part of the record of the hearing. Kaufman seconded. All in favor.

The applicant, Craig Mintzlaff, introduced himself to the Authority and took the oath. He handed out information about the event and noted he had dropped flyers to the surrounding homes. He told the Authority about the fencing around the area, the exits and entrances, the staff providing security, the police officers who will be present, the wristbands provided to attendees wishing to purchase liquor and the other beverages and food to be served.

He noted there will be bands throughout the days. Sunday there will be a race in the morning.

Authority member Machado asked about the police presence. Two police officers were part of the conditions imposed by the city. Machado asked if the staff members were allowed to drink alcohol. Mr. Mintzlaff said not during their shift but they would be allowed after they are done working.

Machado asked Authority Attorney Culley the standards the Authority is looking at for this application. Attorney Culley noted the Authority is looking at whether or not the permit could be denied on the grounds the event would be injurious to the public welfare because of the nature of the special event, its location within the community or the failure of the applicant in a past special event to conduct the event in compliance with applicable laws.

Watson asked about the music and when it would stop. Saturday the music would stop at 6 pm. Carlson suggested the music end a little before that.

Machado asked about staffing and liquor service. Mr. Mintzlaff noted two trained servers would be present at all times and a number of staff would be watching the crowd and available for any issues. Police would be contacted for any disturbances or issues. He noted it is a family event.

Kaufman asked where the alcohol would be stored after the event on Saturday. Mr. Mintzlaff noted it would be locked in a storage trailer overnight. Kaufman suggested the staff who would be allowed to have a drink after their shift should not still be wearing their staff shirt. Mr. Mintzlaff noted he would comply with that suggestion.

Brown asked about smoking. Mr. Mintzlaff noted he would post no smoking signs.

Authority Attorney Culley noted this application for the entire event had been through a process with the City Clerk and that contains a requirement the City Clerk determine the hours of the amplified sound. In her opinion, it was not within the purview of the Authority to limit those times.

Chairperson Carlson called for any members of the audience wishing to speak in favor or opposition to the application. Hearing none, he closed the public hearing and called for member comments.

Carlson suggested the idea of limiting the music hours be passed on to the City Clerk.

Watson moved the Local Licensing Authority of the City of Louisville approve the issuance of a Special Events Permit for Superior Rugby Football Club at Community Park. Kaufman seconded. All in favor.

B. Conversation with Chief Hayes

The Chief was unable to attend.

Police Department Reports

Sergeant Redard noted there were no reports to be considered.

Secretary's Report

Hanson said she had issued a special event permit to Guys Who Give for an event on September 21 at Steinbaugh Pavilion.

Authority Attorney's Report

No report.

Authority Comment

Machado asked about the City Council's role in the events such as the one just heard by the Authority. Authority Attorney Culley noted the Council has delegated the approval of these events to the City Clerk. The Clerk is bound by certain criteria.

Carlson noted the State Liquor Enforcement Division has been looking at special event liquor permits and may enforce the non-profit having a more integral role in the event. Authority members discussed the issue of the non-profit involvement in for profit events.

Adjourn – Watson moved to adjourn. Carlson seconded. All in favor. The meeting was adjourned at 7:40 p.m.

The Authority adjourned to Open Government training led by Authority Attorney Melinda Culley. Authority members Brown, Kaufman and Carlson along with Secretary Hanson participated in the training.

SUBJECT: DISCUSSION/DIRECTION – LIQUOR LICENSING FEES

DATE: OCTOBER 22, 2018

PRESENTED BY: CAROL HANSON, AUTHORITY SECRETARY

SUMMARY:

Each year, the City Manager, City Council and Finance Committee consider the fees being charged throughout the City and set the fee structure for the next calendar year.

This year there has been a proposal to enact a 5% fee increase across the board to cover costs.

The State Liquor Enforcement Division has set limits on what local liquor licensing authorities can charge for license and application fees. The license fees have not changed in many years and the City of Louisville charges exactly what the State allows. The application fee charge has changed over the years and the City of Louisville has chosen not to raise that in any significant way.

The last time the fees were adjusted was in 2008 when the Authority asked to increase the application fee for a new license to \$625.00 (previously \$500) and for special events permits to \$25.00 (previously \$0).

Attached is the current Louisville fee schedule and a copy of the same with the proposed changes.

RECOMMENDATION:

Staff recommends the Authority approve the new fee schedule as presented.
