Authority Business

A. Show Cause Hearing – KCM Restaurant Holdings, LLC d/b/a Mudrock’s Tap and Tavern – Hotel and Restaurant Liquor License – 585 South Boulder Road

Adam Gollin, Special Prosecutor for the Authority introduced himself to the Authority.

Chairperson Machado opened the show cause hearing. He noted he understood a stipulation and agreement had been reached. He asked Mr. Gollin to present the stipulation.

Charles Schmanski, member/manager of KCM Restaurant Holdings LLC introduced himself to the Authority.

Mr. Gollin noted this alleged violation occurred back in November of 2018. The show cause order concerned possible service to a visibly intoxicated person. Officers contacted a person having trouble with his car and subsequently arrested him for a DUI. Receipts from Mudrock’s showed the alcohol he had purchased and reports showed he had been at the establishment for almost 9 hours. The bartender was cited and pled guilty to the charge of serving a visibly intoxicated person and was given a deferred sentence.

Mr. Gollin noted this establishment had a three day suspension imposed back in 2017. He noted the establishment had recently failed a State compliance check for serving to an underage patron. With those in mind, Mr. Gollin proposed a 7 day suspension with 4 days held in abeyance and 3 days of actual closure. The 4 days in abeyance will be one year from today’s date and all employees who
serve alcohol will get training by April 30, 2019. The suspension will be served from March 9, 2019 at 12:01 AM until March 11, 2019 at 11:59 PM.

Mr. Gollin asked the Authority to accept the stipulation.

Chairperson Machado clarified there were no violations that came before the Authority in 2018.

Lipton moved the Authority accept the stipulation as agreed upon by the prosecutor and licensee with 7 days suspension, 4 held in abeyance and actual closure for the service of the 3 days. Kaufman seconded. All in favor.

B. Show Cause Hearing – Tri-City Elks Lodge #2541 – Club Liquor License – 525 Main Street

Adam Gollin, Special Prosecutor for the Licensing Authority noted he was withdrawing the show cause for this incident. He noted this was an unusual case where the police were called out for a medical emergency. It seems the person who would have been serving to a visibly intoxicated person was the same person. She was serving herself from the bar as she was apparently acting as a volunteer bartender. Mr. Gollin noted there might be other issues, but not enough evidence to proceed on this show cause.

Chairperson Machado thanked Mr. Gollin for doing the investigation.

Kaufman moved to dismiss this show cause order. Machado seconded. Roll Call Vote: Kaufman – yes, Lipton – yes, Machado – yes. Dismissed.

C. Show Cause Hearing – Pau Hana Brewery, LLC d/b/a Redgarden Restaurant and Brewery – Brew Pub License – 1700 Dogwood St. 
(continue to March 25, 2019)

Adam Gollin, Special Prosecutor and Greg Larson, owner asked the Authority to continue this matter to the March 25, 2019 meeting.

Machado moved to continue this show cause hearing to the March 25, 2019 meeting. Kaufman seconded. All in favor.

D. Conversation with Chief Hayes

Chief Hayes noted the police department continues to deal with mental health, alcohol and drug related calls which keep them very busy. They are looking into additional diversion programs.

Chairperson Machado noted as much as the Authority appreciates Chief Hayes attending the meetings and keeping them informed, he wondered if having the
Chief only appear twice a year might help lighten the load. The Chief agreed that would be fine and asked the dates be set with the Authority Secretary. Machado noted the door is always open if the Chief has things he would like to bring to the Authority.

**E. Modification of Premises – Perros Blancos LLC d/b/a Pica’s Mexican Taqueria Louisville – 901 Front Street Suite 120**

The applicant applied for a modification of premises to expand their alcohol service area during an event they are holding next to their business to include a portion of the street.

Lipton moved to approve the modification of premises for Pica’s for a one day event. Kaufman seconded. All in favor.

**F. Approval of Resolution No.1, Series 2019 of the Louisville Local Licensing Authority – A Resolution Adopting a Lottery Procedure for Retail Marijuana Store and Medical Marijuana Center License**

Authority Attorney Culley noted City Council had approved an ordinance making some changes to the number of retail marijuana stores and medical marijuana centers allowed in the City. The cap will now be six, with three stores already in operation or approved. There were other changes made to the distances from schools to 1,000 feet and between stores to 1,500 feet. The Authority has already adopted rules of procedure for reviewing and issuing licenses and this proposed resolution would add a new section to include a lottery for the three additional licenses. This would give applicants an equitable right.

Authority Attorney Culley noted the lottery would allow entries from March 1 to March 19 with the applicants showing they are within the right zoning and location and have or will have possession of the premises. Then there would be a drawing of up to ten with the first three being able to apply first. If someone withdraws, the next person could apply.

Machado talked about the value of these licenses in contrast with a liquor license. Authority Attorney Culley noted the reasonable requirements of the neighborhood and desires of the adult inhabitants of the neighborhood noted in liquor law have no equivalent criteria in marijuana law. That leaves less discretion for approving or denying a license and perhaps part of reason Council chose to cap the number of stores.

Machado asked if there were a reason to make the registration for the lottery a longer period. Members discussed whether this was necessary.
Lipton moved to approve LLA Resolution No. 1, Series 2019 as written. Motion died for lack of a second.

Machado moved the Authority approve Resolution No. 1, Series 2019 with extending the lottery registration period to March 1, 2019 until April 15, 2019. Kaufman seconded. Roll Call Vote: Kaufman – yes, Lipton – no, Machado – yes. Motion passes.

**Police Department Reports**

SUBJECT: STRATEGIC PLAN UPDATE

DATE: MARCH 25, 2019

PRESENTED BY: CAROL HANSON

SUMMARY:
In 2018 the City completed its first organizational strategic plan. The Strategic Plan is intended to convey how the City government can best serve our residents now and into the future. The Strategic Plan includes the City's mission, vision and values and highlights some of the high priorities we will accomplish over the next one to two years. The purpose of the plan is to serve as a roadmap for the organization, to strengthen the organizational culture, and to serve as a communication tool for the community to understand the City's strategic vision and operating guidelines.

To complete the planning process, the City hired a consultant that has worked with many other municipalities to create a strategic vision, mission and values and sought feedback from employees through several avenues like an employee survey and focus groups. The plan also incorporates input from City Council and a number of existing documents that had extensive public input like the Comprehensive Plan, Parks, Recreation, Open Space and Trails Plan, etc. Key themes were identified and the vision, mission and values were established:

Vision
The City of Louisville – dedicated to providing a vibrant, healthy community with the best small town atmosphere.

Mission
Our commitment is to protect, preserve and enhance the quality of life in our community.

Values
Innovation, Collaboration, Accountability, Respect, Excellence

The Strategic Plan includes Priority Initiatives that capture the City’s key priorities for 2019 and 2020 in each of the Critical Success Factor areas (i.e. Reliable Core Services, Quality Programs and Amenities, etc.). The Priority Initiatives represent those projects or initiatives occurring in the next one to two years that are above and beyond our daily operation, which represent an increased level of service, have new or additional dedicated resources and funding and help advance the City's vision.
The City continues to move forward with the program-based budget structure, which includes program areas with specific goals and sub-programs with measurable objectives. These goals and objectives are measured through the Key Performance Indicators. The Strategic Plan reflects how our Priority Initiatives are aligned with these program areas. In essence, the program and sub-program areas reflect all of the work the City performs on a day-to-day basis, while the Priority Initiatives reflect those high-priority efforts with an increase in financial and resource investment over a period of time. The vision, mission and values reflect how the City does this work.

Implementation of the Strategic Plan kicked off in early 2019 and staff plans to incorporate the Priority Initiatives in department work plans, post visual reminders of the vision, mission and values in City facilities and distribute materials to staff (i.e. calendar, mousepad, business cards), develop a peer-to-peer and organization-wide recognition program and develop employee training and development program. Staff is excited to see the plan come to life and become a key component of the City’s work.

Introduction

The purpose of the Strategic Plan is to outline how the City can best serve our residents now and into the future. The Strategic Plan will serve as a road map for our organization, to strengthen our organizational culture, and to serve as a communication tool for the community to understand the strategic vision and operating guidelines of the organization.

As an internal, guiding document, the Strategic Plan outlines our operating guidelines for the organization as a whole—our Vision, Mission and Values, as well as our Critical Success Factors—and will help align our organizational culture with the work that we do. In addition, the Strategic Plan includes Priority Initiatives that capture the City’s key priorities for the next one to two years (aligned with the biennial budget process) in each of the Critical Success Factor areas. The City has many initiatives ongoing throughout the year, in addition to the daily operations required to run the City. The Priority Initiatives represent those projects or initiatives occurring in the next one to two years that are above and beyond our daily operations, which represent an increased level of service, have new or additional dedicated resources and funding, and help advance the City’s vision. Together, these elements demonstrate to our residents what we plan to accomplish, and the manner in which we commit to doing our work.

The development of a Strategic Plan has been a priority for City Council and the City Manager, to serve as a singular, guiding document that aligns with the City’s Comprehensive Plan, program-based budget, Home Rule Charter and other planning documents to reflect one unified vision for the organization. Existing plans are still relevant, and will continue to provide direction in key areas of our work.

In addition, the City of Louisville continues to move forward with its program-based budget structure, which includes program areas with specific goals, and sub-programs with detailed objectives. Our progress in meeting these goals and objectives are measured on an annual basis through our Key Performance Indicators (KPIs), and the Strategic Plan reflects how our Priority Initiatives are aligned with these program areas. In essence, the program/sub-program areas reflect all the work of the City that’s performed on a day to day basis, the Priority Initiatives reflect those high-priority efforts that represent an increased financial and resource investment over a period of time, and the Strategic Plan reflects how we do our work.

Thank you for reading this document. We hope it will quickly become a useful tool that becomes an integral part of our organizational operations, and which also will serve to inform our residents about the work we do.
