

Submittal checklist for Solar Voltaic Permits:

1. Application: Residential or Commercial
2. 2 sets of plans including
 - 1 line electric diagram.
 - Structural engineer stamped letter
 - Manuf specs: array panels and installation etc.
3. License: Solar Voltaic and Electrical (state masters license + drivers license)

Fees per State Statute:

Residential Permit Fee	\$300.00	
Plus Bldr Cty tax (no city use tax)		.65% of 50% of valuation

Commercial Permit Fee:	\$1,000.00	
plus Bldr Cty tax		.65% of 50% of valuation
plus city use tax of		3.375% of 50% of valuation.

* If changes in electrical panels are required we need
a separate electrical permit.

Contractors are required to have a Solar Voltaic License with the City of
Louisville, as well as a licensed electrical contractor.
