City Council Meetings are held the first and third Tuesdays of each month at 7:00 PM at City Hall, 749 Main Street.

To find out in which Ward you live, please call 303.335.4536.

www.LouisvilleCO.gov

Dear Louisville Resident:

Louisville is a great place now due to the dreams of past leaders and residents. Their ideas and actions resulted in our having thousands of acres of open space, miles of trails, a historic downtown and a solid water supply. We are currently involved in projects to improve the quality of life in Louisville, including expanding the recreation and senior center, building underpasses to make trail connections and making major investments in repairing and repaving roads. What are our dreams for the future?

One thing we know about the future is that retail will look different. It is not news to anyone how much online shopping has affected local stores and businesses. Cities in Colorado are very dependent on sales tax revenues to support city services, so the loss of local sales tax is a concern. This situation may change soon as a result of the recent Supreme Court decision in Wayfair vs. South Dakota, in which the court found that local governments and states can require online retailers to pay sales tax. In the meantime in Louisville, the most obvious consequence of changing retail patterns is the continued vacancy at the former Sam's Club building. The City is currently undertaking a market study of the Sam's Club site and McCaslin corridor to begin a process of re-visioning this area. It's certainly too early to know how this process will turn out, but we are listening to what residents are telling us. Hopefully we might see some public gathering spaces, entertainment or other destination opportunities along with some office and retail.

We are certainly a future oriented place, with companies in the City building space ships and aircraft components, developing mapping systems for autonomous vehicles and building surgical image guidance systems. At the municipal level, City Council just voted to obtain 100% of our municipal electrical needs from solar power. Yet, while looking forward, we always appreciate our past and the key goal of maintaining our small town character. Louisville voters have now twice supported a sales tax to support our historic preservation program. The recent renewal of the tax allows 20% of the money to be spent on the operations of the Louisville Historical Museum. This will allow us to keep the museum open additional hours during the week and continue our work to put more of the collection online. However, one thing I hope to see in the (hopefully not distant) future is a building addition to the museum. The museum has several critical needs identified by our museum consultant. These include a lack of adequate climate controlled storage for the collection of items donated to the museum, mostly by Louisville residents. The museum also needs ADA accessibility including ADA bathrooms and an indoor meeting space to host the elementary school groups that visit the museum to learn about Louisville History. The addition would serve all these needs but we don't yet have a plan for funding the construction.

A significant element of Louisville's future will have to do with what happens at the Phillips 66/StorageTek site. As I write this, there is no development proposal for this property. We all know the values of this location--several nearby universities, airport access, Bus Rapid Transit (BRT) on US 36 and, of course, being in Louisville. When we are presented with a development proposal there will be an extensive public process to allow the residents to ensure it is a good fit for Louisville.

The Council is currently working on the 2-year budget for 2019-2020. We recognize that

Continued on Page 2

MESSAGE FROM THE MAYOR CONTINUED

as the City matures, we have lots of amenities that need maintenance – whether that involves trails, roads, landscaping, parks, water systems or recreation centers. We intend to move incrementally to focus more of the budget on operations and some less on new capital projects. Nevertheless, we are still thinking long-term about issues of environmental sustainability, economic vitality, public safety and infrastructure maintenance. We are still dreaming of the future we want to see for Louisville. I hope that future residents will think our dream was beautiful.

- Bob

TRAFFIC SAFETY IN LOUISVILLE

All the Lous in Louisville loved their town a lot. But when it came to driving carefully, many people were not. So little tiny Lou from Louisville had a plea - for all of his neighbors to please watch their speed!

Traffic safety (i.e. distracted driving, speeding, aggressive driving) is the most common complaint the City receives from neighborhoods and it is because unsafe driving has a direct impact on the quality of life of our residents.

What is the City doing? The City is working on short and long-term solutions to address traffic safety. The City is exploring short-term speed management tools and auto, pedestrian and bicycle improvements like enhanced crosswalks and signage that will immediately improve traffic safety. Long-term improvements will be considered in 2018 as the City begins the process for the Transportation Master Plan, which will look at traffic safety and areas of concern.

The City also relies on enforcement to address this issue. The Police Department continues to provide directed traffic enforcement throughout the community to encourage slowing down, use temporary sign boards to relay important safety messages to drivers and will be equipping its vehicles with moving speed measuring devices.

What can you do? As a driver, you can drive slowly and courteously, act like a guest in all neighborhoods and make our streets safer and friendlier by driving the speed limit. The Centers for Disease Control and Prevention estimates that

nine people are killed every day in the United State due to distracted driving.

You can limit the risks of distracted driving by using the "Do Not Disturb" setting on your phone or downloading a mobile application that restricts use of the your phone while driving. As a pedestrian or bicyclist, you can follow signage and other traffic safety tools. Cross at designated crosswalks and stop at signs and traffic signals and follow their cues.

Looking for additional information? To report an emergency, please call 911. To report an unsafe driver or speak with an officer, please call the Louisville Police Department at 303.441.4444. To learn more about traffic safety and the new improvements that have been installed around town, visit the City's website at www.LouisvilleCO.gov/TrafficSafety.

HOME SECURITY TIPS

Why leave doors and windows open to crimes of opportunity? Burglaries can occur at anytime and anywhere. Burglars are criminals of opportunity. They target homes they know they can easily get in and out of as quickly as possible without getting caught. Burglars can be discouraged if they have to put too much effort into entering a home.

Security, sound and visibility are the three main factors to consider in preventing burglary. By ensuring your doors, windows and garage are closed and locked at all times, you add a buffer of time for someone to observe and notify police of someone entering your home. Burglars can also be discouraged by sound, such as a barking dog or audible alarm, which can draw unwanted attention to them.

Homes with poor lighting or with trees and bushes blocking visibility are perfect targets for burglars. Keep bushes trimmed and provide sufficient lighting at night. Motion detecting lights are excellent deterrents.

Leaving obvious valuables visible through the windows of your home or vehicle may be compelling temptations. Do not leave purses, billfolds, portable GPS systems, etc. on a tabletop inside your home clearly visible from the outside. Do not leave any type of valuables, including loose change, in your car, and **lock your car!** For additional information, contact the Louisville Police Department at 303.666.8634.

HOUSEHOLD HAZARDOUS MATERIALS FACILITY

Are there hazardous materials in your garage that you would like to dispose of safely and responsibly? Did you know that as a Boulder County resident or business you can properly dispose of your household hazardous materials, with proof of residency or business location? The Boulder County Household Hazardous Materials Facility (HHMF) accepts household hazardous materials from residents Wednesday through Saturday from 8:30 am-4 pm. Businesses can bring materials on Tuesdays by appointment only. For more information, please go to Boulder County's website: www.BoulderCounty.org/Environment/Hazardous-Waste/Management-Facility.

INTERESTED IN IMPROVING MOBILITY & CONNECTIONS IN LOUISVILLE?

In our City, people move and connect in many ways. They bike, drive, walk and use transit to reach destinations in Louisville and beyond. The City is kicking off our first Transportation Master Plan (TMP) and we need community feedback to make sure the plan addresses the goals of our citizens. The plan will evaluate mobility options and develop recommendations to guide future transportation investments in Louisville. The plan will be built from an understanding of how people who live and work in Louisville get around, and what mobility options you would like to see improved. To do that, we need you! It is important that your voice and ideas are a part of this project. This input will help set the goals and objectives for the plan and the recommendations that are developed.

The TMP is in the first phase of development, analyzing existing transportation conditions and identifying gaps and needs in the community. While part of this phase uses data to identify how people travel and where there are challenges, a significant part of this phase relies on community input. We want to make sure we understand the problems people face in Louisville when trying to go to school, work, shopping, the park, and more. We also want to hear your ideas!

- What transportation options work well?
- What are your goals for the City's mobility plan?
- Where can you get to easily and where should we focus improvements?
- How would you like to move around the City now and in 10 years?
- What safety improvements would you like to see?

The TMP team will be out in the community to hear from you. Throughout August and early September, we will be attending community events, hosting a community meeting and have interactive ways for you to comment online. Head to the TMP webpage at www.LouisvilleCO.gov/TMP for more information and to follow the project progress.

BOARD & COMMISSION VACANCIES

Beginning in October, the City will be accepting applications for 2018 board and commission vacancies. Special skills are not required for most boards but communication skills, problem solving, teamwork, community engagement and a commitment to transparency are beneficial characteristics to possess. Check the City's website at www.LouisvilleCO.gov in October for more details. If you have questions, please call 303.335.4536.

RECREATION FACILITIES EXPANSION UPDATE

The Recreation/Senior Center expansion has made great progress over the summer. We are excited to open the first phase of construction on Tuesday, September 4th! On this date, we will have access to the west wing of the facility, which will include new youth classrooms, drop-in childcare, an indoor playground and family change rooms on the 1st floor. The fitness floor will showcase amazing views, a new group exercise room and new space for cardiovascular equipment, circuit weights and free weights. **September 4th will be a FREE day at the Recreation/Senior Center**, so come check out our new spaces!

Please keep in mind we are still under construction and we will be using new spaces on a temporary basis to locate existing programs while the renovation of the facility continues. The construction project has been a significant impact to our building and we appreciate your patience with parking as we move towards substantial completion in December 2018.

If you haven't had a chance to use the newly renovated Memory Square Pool, there is still time! Memory Square Pool will be open 7 am-7 pm through September 30th. Please visit our website for the pool schedule. **The Recreation/Senior Center will be closed for maintenance and construction from Sunday, August 18th-Monday, September 3rd. The entire aquatics areas of the Recreation/Senior Center is closed August 1st-September 30th.**

Please check our website (www.LouisvilleCO.gov/Residents/Recreation-Senior-Services) or follow us on Facebook for construction updates and exciting announcements as more of the new facility is completed and open to the public!

MOSQUITO SAFETY

As you spend the last warm days of summer enjoying the outdoors, remember that mosquitos are still out there enjoying it too! Mosquitos are not only a nuisance but also may carry diseases like West Nile Virus. Mosquito season lasts through the end of September, which means it is important to continue to take precautions. Boulder County Public Health officials recommend the following four Ds to lower your risk: 1) use insect repellent containing at least 10% **DEET**; 2) **DRESS** in long sleeves and pants; 3) Limit outdoor activity during **DUSK/DAWN**; 4) **DRAIN** and eliminate all standing water around your home. For more information, visit www.BoulderCounty.org/Families/Disease/West-Nile/Personal-West-Nile-Virus-Prevention.

DOWNTOWN MAILBOXES MOVED TO CITY HALL

The post office mailboxes previously located in the Lucky Pie parking lot have been moved to the driveway south of City Hall (749 Main Street). You can drop off letters and express mail in the mailboxes at this location. If you have questions, please contact Emily Hogan at 303.335.4528.

SUMMER READING WRAP-UP

Louisville Library really did rock this summer with the best participation ever in the annual Summer Reading Program. Thanks to everyone who read with us this summer and special thanks to the many sponsors who helped to make this a memorable event!

- Apex Consulting
- Bittersweet & Por
- Carol Cheh, Premier Members Credit Union
- Catherine Davis, Allstate
- Celestial Seasonings
- Chocolive
- Citywide Banks
- E&L Team at RE/MAX
- First Summit Realty
- Fox Property Management
- Guardian 76 Storage
- Lyons Gaddis Attorneys
- Huckleberry (Three Leaf Farms)
- Lakeside Amusement Park
- Henry Lopez, Lopez Smolens Associates, Ltd.
- Louisville Library Foundation
- Mishawaka
- Mod Pizza
- Organic Sandwich Company
- Pica's
- Rock Creek After School
- Stephanie K. Schacht, Attorney at Law
- Vic's Espresso
- WOW! Children's Museum

BRINGING COMMUNITIES TOGETHER

'On The Same Page' is a one-book program that has been bringing the communities of Superior, Lafayette and Louisville together for the past 8 years. This year's book is "Killers of the Flower Moon: The Osage Murders and the Birth of the FBI," by David Grann.

Book Discussions

- September 10th at 7 pm, Louisville Library
- September 19th at 12 pm, Louisville Library
- September 12th at 6:30 pm, Superior Bungalow (122 E. William Street)
- September 24th at 6 pm, Lafayette Public Library

Stories on Stage Performance

- September 27th at 7 pm, Louisville Center for the Arts (801 Grant Avenue)

SUPPORTING YOUR ACTIVE LIFESTYLE

Louisville residents have access to Library resources that support an active, outdoor lifestyle. Check out these items to boost your summer enjoyment - all available for free!

- Colorado State Park passes allow entry to any state park and can be borrowed for 7 days; small binoculars and park information brochures accompany each pass

- Two GoPro cameras and a DSLR camera allow you to save and share your discoveries
- Magazines and Travel Guides help you get the most out of your adventures
- Telescope Kits are available to check out and use in your own backyard
- Boulder County Parks and Open Space programs introduce you to this beautiful state

WHAT'S UP AFTER SCHOOL?

Come check out the new Tween Space at the Library, affectionately known as 'The Hangout'! This space is reserved for kids ages 9-12 from 3-6 pm every day. The new space has cool, comfortable seating, group tables and activities. The Library also hosts programs for Teens every Tuesday (except 5th Tuesdays), which belong to the Tweens, and special programs are offered just for this age group. There are also after school program for grades 1-6 every Wednesday at 4 pm. Come explore art, STEM, building and special topics with us!

MUSEUM NEWS & EVENTS

First Friday Art Walk at the Museum, 6-8 pm - Stop by the Museum to discover hidden and interesting aspects of Louisville History.

- **Brands Old and New: Louisville Business Memorabilia**, September 7th
- **Happy 140th Birthday, Louisville!**, October 5th
- **Artists Among Us: Get to Know the Louisville Art Association**, November 2nd

Historic Walking Tours, suggested donation \$5 per person

- **Top of the Hill**, September 16th, 9 am - Diane Marino will lead this historic walking tour of the neighborhood at the top of the hill in Old Town Louisville. Meet at Pirates Park.

Brown Bag Discussion

- **Louisville and Change**, September 6th, 12-1 pm - To recognize Louisville's 140th birthday, Museum Coordinator Bridget Bacon will lead a discussion on the changes taking place around us, and what we should try to retain from the past. Location: Library Meeting Room.

Evening Programs

- **Stories in the Dark** by Boulder Valley Spellbinders, October 26th, 7-8 pm - For adults and children ages 6 and up. Location: Museum outdoor campus. Bring a blanket or chairs, if desired. Rain date is October 27th.
- **Stories in Place: Putting Louisville's Residential, Commercial and Industrial Development in Context** by Dr. Rebecca Schwendler, November 15th, 7 pm. Location: Library Meeting Room.

PRESCHOOL

We have afternoon openings at the Louisville Recreation Center's state licensed part-day preschool. Building Blocks and Stepping Stones are fun, nurturing classes for 3-5 year olds to play, learn, grown and socialize at their own pace. Be one of the first classes in the new learning area with floor to ceiling windows, outdoor learning space and all the resources available at the Louisville Recreation Center. Part-day classes are designed to meet the academic, social, and physical needs of youngsters by providing a stimulating, safe and healthy environment. Contact Mandy Perera at MandyP@LouisvilleCO.gov or 303.335.4902. Mondays/Wednesdays/Fridays, 11:30 am-2:15 pm. \$30 resident enrollment fee/\$235 monthly resident tuition.

TWOODLES

Ages 2 by 9/30/18. This is the ideal class for any youngster to explore on their own! The class offers a variety of materials and activities giving children the opportunity to develop and practice social skills in a supportive and nurturing atmosphere. Circle time for stories, singing, dancing and sharing enhance the fun and learning. Tuesdays/Thursdays starting September 11th, 8:30-9:30 am (reg. #32003) or 9:45-10:45 am (reg. #22004) classes. \$91 for 7-week session. Register at www.LouisvilleRecreation.com.

YOUTH/ADULT SPORTS

Adult Tennis - This instructional program is designed to provide weekly basic skills needed to play tennis. Beginners - Thursdays, 9/6-9/27, 9-10 am. Resident \$28/Non-resident \$35.

Sports Action - Ages 4-6. These fun-filled courses are designed to introduce your child to the basic rules of sports and exercise, including more specialized skills necessary for game time. We develop your child's athletic and social skills in our 4-week sessions. Class meets at the Louisville Recreation Center and 4-week sessions run from 8/28-12/20. Please see catalog for more information. To register visit our website at www.LouisvilleRecreation.com or call 303.666.7400.

SCHOOL DAY OFF CAMPS

Jump Rope Mini Camps - All levels, ages 7+. Ready to take your recess skills to the next level? Come learn new tricks with a jump rope to show your friends! Also improve cardiovascular health, flexibility and coordination by participating in one of the fastest growing sports in the world, Jump Rope! The course is designed for all levels. The jumpers will learn single rope, double dutch and many more styles of jumping. Opportunity for regional and national competition available through USA Jump Rope and AAU. Monday, 9/12, 9 am-12 pm. Monday, 11/12, 1-4 pm. Reg. #30041. Resident \$38/Non-resident \$48.

Minecraft Engineering with LEGO - Ages 6-11. Bring

Minecraft to life using tens of thousands of LEGO® parts! Create your favorite Minecraft objects with the guidance of an experienced Play-Well instructor. Whether you are new to Minecraft and LEGO materials or a seasoned veteran, you'll be booked on the endless creative possibilities. Friday, 10/12, 9 am-12 pm. Reg. #32175. Resident \$38/Non-resident \$48.

Crazy Chemistry and Fizzi-Cal Phenomenon - Ages 6-12. Explore molecular madness, crazy chemistry and all kinds of radical reactions as you whip up potions in this exciting chemistry-themed camp! Monday, 11/12, 12:30-3:30 pm. Reg. #32170. Resident \$39/Non-resident \$49.

COAL CREEK GOLF COURSE

Coal Creek Golf Course is Louisville's local municipal golf course that has received national recognition by Golf Inc. as the best redevelopment golf facility in the US. Whether you are just learning to play or are a scratch golfer, you will enjoy this scenic course. Coal Creek is open from dusk until dawn 7 days a week. You can play 18 holes, 9 holes or our new 5-hole round which is great when you are short on time or just want to practice your game. Coal Creek also offers a nationally recognized club fitter and golf instructor to help you play your best and have more fun on the course.

As a resident of Louisville you receive the following:

- Discounts on annual passes
- Discount on daily green fees
- Discounts on range card pass

Looking for a part-time position? Coal Creek Golf Course is hiring!

- Golf Course maintenance
- Golf Operations
- Golf Operations Guest Services

Visit www.LouisvilleCO.gov/Jobs for more information or to apply.

SENIOR SERVICES

Louisville Senior Services offers a wide variety of classes and activities including day trips, special events, drop-in activities, daily lunch, support groups, community resources, and much more. Join us for a trip, special event, fitness class, or educational consumer class. That and much more found at www.LouisvilleRecreation.com or call 303.666.7400 for more information.

VOLUNTEER OPPORTUNITIES

Snowbusters - Assist with basic snow removal for those 60 and over who reside in Louisville. Must meet eligibility criteria. Call Diane at 303.335.4919 or email DianeE@LouisvilleCO.gov.

ANNUAL LABOR DAY PARADE & FALL FESTIVAL

This Labor Day weekend, join your neighbors to celebrate with the Labor Day Parade and Fall Festival. The highlight of the weekend is the 83rd Annual Labor Day Parade. The theme of this year's parade is "Everyday Heroes: Celebrating our working men and women." The parade takes place on Main Street at 10 am on Monday, September 3rd. Parade runs down Main Street from Lafayette to Elm. Judges stand will be located at Main and Spruce.

MORE LABOR DAY WEEKEND ACTIVITIES IN LOUISVILLE

Children's Pet Parade will begin at 9 am on Labor Day morning at Main and Walnut. Children 12 and under can register with their pets on Labor Day morning to participate.

Labor Day Fall Festival at Memory Square Park offers family fun from 9:00-3:30 on Labor Day including:

- Concerts by the kid-delighting duo of Jeff & Paige
- Magic shows and balloon twisting
- Free swimming all day at Memory Square Pool
- Bounce houses and inflatable fun
- Art, craft and food vendors
- National Fine Art Show
- Homemade pie contest
- Labor Day Parade awards ceremony

Pints in the park Craft Beer Festival takes place on Saturday, September 1st at Community Park. Tickets are available at the event and through the Louisville Chamber of Commerce.

Bocce Tournament on Saturday at Memory Square Park celebrates Louisville's long-standing love of bocce.

The Annual Senior Dinner will take place at 5 pm on Friday, August 31st at Memory Square Park. Louisville seniors are invited for a free picnic dinner served by volunteers to celebrate and honor the seniors in our community.

We look forward to seeing everyone for the Labor Day weekend festivities. And thank you to our local sponsors who have helped make this weekend possible: GHX, Avista Adventist Hospital, Etkin Johnson Real Estate Partners, Balfour Senior Living and Bestop.

More details available at www.LouisvilleCO.gov/LaborDay.

SUSTAINABILITY AT LOUISVILLE EVENTS

Louisville strives to use sustainable practices for events presented by the City and other special events in town. Through the help of Eco-Cycle, the upcoming Senior Dinner and Fall Festival at Memory Square Park are "Zero Waste" events. All materials from vendors must be either compostable or locally recyclable. Eco-Cycle will be on-site during the events to help attendees learn to properly sort waste and drastically reduce the amount of waste that goes to the landfill.

LOUISVILLE CULTURAL COUNCIL UPDATE

This summer, the Louisville Cultural Council hosted a series of five Summer Concerts in the Park on Thursday evenings at Community Park. Thank you to everyone who came out to enjoy these community events! If you have comments for next year's Summer Concerts in the Park, please email KZoss@LouisvilleCO.gov.

Fall arts events presented by the Louisville Cultural Council and performances by recipients of the LCC's 2018 Art Grants will be held at the Louisville Center for the Arts (801 Grant Avenue). The fall season kicks off on September 14th with "Nights og Guitars," a concert by classical guitarist Alfredo Muro featuring Felicity Muench and Michael Delalla. Other fall highlights include:

- **Danse Etoile Performance** on September 23rd
- **"Roots of Injustice, Seeds of Change: Toward Right Relationship with Native Peoples"** performance on September 29th
- **Lecture by Colin Cantwell**, local artist whose designs have been part of the Star Wars films on October 5th
- **"Beyond Borders: Music and Words for the Year of the Bird"** on October 14th

The full calendar of LCC events is included in the calendar accompanying this newsletter. For more information, follow the LCC on Facebook at www.Facebook.com/ArtsLCC.

CONSTRUCTION AHEAD

The waterline replacement project is underway on the following streets: Lafayette Street between Via Appia and the dead end, Franklin Avenue between Lafayette Street and the cul-de-sac, Franklin Avenue between Lafayette Street and the cul-de-sac, Franklin Court between Lafayette Street and the cul-de-sac, Johnson Avenue between Pine Street and the alley and Hoover Avenue between Lois Drive and west of Hoover Court. Work also includes valve cut-ins on Centennial Parkway, Eisenhower Drive, Wildrose Court and South Boulder Road at Ridgeview Drive.

The sewerline replacement is also underway on the following streets: alley west of Lafarge Avenue from Lafayette Street to South Street, alley west of Jefferson Avenue from Caledonia Street to South Street, alley west of Grant Avenue from Short Street to Walnut Street and alley west of Main Street from South Street to Walnut Street.

The storm sewer maintenance project is under construction and includes work at the west end of Walnut Street in Cottonwood Park and in the alley north of Pine Street adjacent to the railroad, improvements at Bella Vista Drive and County Road and regrading of areas adjacent to the Highway 36 bike path.

Pavement crack seal will begin in late September and will seal cracks on numerous City streets.

We ask for your understanding during construction and remind everyone to exercise caution when driving, biking or walking through a construction zone. If you have questions, please contact the Public Works Department at PWorks@LouisvilleCO.gov or 303.335.4608 or visit the City's website at www.LouisvilleCO.gov/Construction.

GREEN SCENE

As a Partners in Energy (PiE) community in collaboration with Xcel, Louisville aims to encourage energy efficiency and renewable energy, leveraging resources, and benefitting our economic vitality, environmental health and community well-being. When we implemented the PiE program last February, Louisville's energy goal was to reduce total energy use 1% annually over our 2015 baseline.

In 2017, Louisville achieved a 3.2% decrease in electricity usage and a 1% decrease in natural gas usage across the community, successfully shrinking our overall carbon footprint by 11% of metric tons of carbon dioxide (MTCO₂)! That equates to CO₂ savings of: 2,444,019 gallons of gasoline or 118 railcars' worth of coal burned.

As we wrap up PiE in September, remember to continue taking advantage of Xcel rebates, incentives and programs and help our community decrease overall emissions and energy use! Find more information at www.XcelEnergy.com/Programs_and_Rebates/Residential_Programs_and_Rebates.

- For just \$75, Xcel's Home Energy Squad will come to your

home and make it more efficient for you. Swap out traditional bulbs for LEDs, install a programmable thermostat, weather-strip a drafty door and more. Installation, labor, and materials are free – a \$200 value!

- A smart thermostat provides an easy and convenient way to manage your home's heating and cooling comfort, as well as costs. Get up to \$125 in incentives on select models purchased through Xcel.
- Earn a rebate on an electric water heater that can help you save energy and money on the appliance that typically consumes 18% of the energy in your home. Xcel rebates up to \$450.

Beginning this fall, the City's Sustainability Series will kick off with topics ranging from local food and agriculture to energy and renewables; the Transportation Master Plan will begin its public engagement outreach, seeking your thoughts on City roadways, public transit options and alternative transportation; and the Green Business program is taking applicants for commercial environmental leaders through December 15th.

FREE RACHIO SMART CONTROLLER

Take the hassle out of watering your yard this summer with a free Rachio smart controller. Get a water-saving sprinkler consultation from Resource Central and you may qualify for a Rachio smart controller installed and set-up for you. Supplies are limited, so be sure to sign up for a sprinkler consultation now by calling 303-999-3824 or sign up at www.ResourceCentral.org/Sprinkler to schedule.

NEW HIGH DEFINITION CITY CHANNEL

This fall the City will launch a new high definition government channel available through Comcast cable. Channel 880 will feature the same content as Channel 8 but will be available in high definition. The City is also excited to announce that closed captioning will be available on both channels. If you have any questions or would like to report any issues with either channel, please contact Emily Hogan at 303.335.4528.

WHAT'S A SHARROW?

A sharrow is a shared lane marking that is used for lanes that are used by both cyclists and motorists. Sharrows are intended to remind drivers that they should expect to share the lane with cyclists and to remind cyclists that they can ride in mixed traffic where there is no bike lane. Where adjacent to a parking lane, the sharrow is a tool to help ride a safe distance away from car doors. As a cyclist, you are required to ride as far to the right as you judge safe, regardless of where the sharrow is located.

About the Book

In the 1920s, the richest people per capita in the world were members of the Osage Indian nation in Oklahoma. Suddenly, entire families were dying one by one under dark and mysterious circumstances. When the death toll rose to more than 24, the fledgling FBI was called in but botched the investigation. Then J. Edgar Hoover turned to a former Texas Ranger for help.

David Grann's masterpiece of narrative nonfiction is both compelling and emotionally devastating, and not to be missed.

Building Community

For the 8th year in a row, the Town of Superior, the Friends of the Lafayette Library, and the Louisville Public Library Foundation invite you to join neighbors, friends, and family to celebrate reading and community.

LOCK IT UP!

Whether you are running a quick errand or parked at home overnight it is important to ALWAYS lock your vehicle.

KEEP IT CLOSED!

Open garage doors are an open invitation to thieves. Always keep garage doors closed.

TAKE IT WITH YOU!

Do not leave valuables in your car. If you must make sure they are secured and out of sight. Never leave your keys or key fob in your vehicle.
