

Submittal checklist for Solar Voltaic Permits:

1. Miscellaneous Permit Application
2. 2 sets of plans including:
 - 1 line electric diagram
 - Structural engineer stamped letter
 - Manufactured Specs: Array panels, installation, etc.
3. Contractor License: Solar Voltaic and Electrical (state, masters license + drivers license)

Fees per State Statute:

Residential Permit Fee	\$300.00	
Plus Boulder County tax		.65% of 50% of valuation
(no city use tax)		
Commercial Permit Fee:	\$1,000.00	
Plus Boulder County tax		.65% of 50% of valuation
Plus city use tax		3.375% of 50% of valuation.

* If changes in electrical panels are required, we need a separate electrical permit.
