This application becomes null and void if permit is not issued within 180 days of application date. I hereby certify that the plans, specifications and computations submitted for approval are in conformance with Building Code, Fire Code or City Ordinances. Issuance of this permit does not waive my obligation to conform to the Codes mentioned and Ordinances of the City of Louisville. Permits presuming to give authority to violate or cancel the provisions of these Codes and Ordinances of the City of Louisville, Colorado and state of Colorado shall not be valid. All plans approved are subject to field inspection and interpretation of the field inspectors or the Building Official or Fire Marshal. Permit and tap fees are subject to change at the beginning of each calendar year.

Note: Fees are assessed at time of permit issuance and are subject to city ordinance in effect at that time.
