Welcome to the newly renovated, state of the art Louisville Recreation & Senior Center! Our mission is to "provide quality recreational activities and leisure services that contribute to the physical, mental, and social well being of the citizens while ensuring fiscal responsibility". In addition to our expanded facility, we have many new programs, classes and services to promote healthy living and active aging for people of all ages in the community. Whether you are looking to exercise or socialize, learn or play, live well or age well, we have something for everybody! Come and see all the new things we have to offer.

# SNOW REMOVAL IN LOUISVILLE

## WHAT THE CITY DOES:

- The City of Louisville's snow crews are ready to respond 24 hours a day to snow and icy conditions. The snow crews work hard to keep primary and secondary streets and on-street bike lanes open, using materials and equipment that help reduce the dangers of winter traveling. To report an area of concern on a street or on-street bike lane, please call the City's Operations Division at 303.335.4760 or email [ReportSnowRemoval@LouisvilleCO.gov](mailto:ReportSnowRemoval@LouisvilleCO.gov).
- Asphalt/concrete bike and pedestrian paths on City property and sidewalks for City facilities are cleared of snow and ice within 24 hours after snow stops. These paths are cleared by the City's Parks Division. To report an area of concern on City property, please call 303.335.4735.

## WHAT RESIDENTS DO:

- All owners, agents and/or residents of a private property must remove snow and ice alongside their property **no later than 24 hours after the last accumulation of snow**. Shoveling sidewalks helps prevent accidents and increases accessibility for pedestrians and people with mobility challenges.
- If your sidewalk is adjacent to a primary snow route, please wait until the snow plows have cleared the streets before shoveling. Plows may need to push snow onto curbs and sidewalks to keep the streets clear.
- Louisville's Code Enforcement Officers can issue a summons to persons failing to comply with the snow removal ordinance and/or pursue abatement. The fine for a first offense is \$100. The maximum fine is \$12,650 and one year in jail. If abatement is pursued, the City can remove the snow and ice after 24 hours if it poses an immediate risk to the health and safety of the community and assess the owner, agent and/or resident the cost of the snow removal, plus an administrative fee.
- To report snow removal violations on private property, please call Code Enforcement at 303.666.8634.

## DO YOU NEED ASSISTANCE?

- The City's Snowbusters Program provides assistance with basic snow removal for residents 60 years and older who live in Louisville and meet eligibility criteria. To sign up for the program, please call 303.335.4919.
- Interested in volunteering? Louisville Senior Services is recruiting volunteers to assist with the Snowbusters Program. Call 303.335.4919 for more information.
