Louisville Sustainability Advisory Board

Agenda

October 16, 2019
City Hall, 749 Main Street, Spruce Room
6:30 - 8:00pm

1. 6:30PM Call to Order
2. Roll Call
3. Approval of Agenda
4. Approval of Minutes
5. 6:35PM City Staff Updates (10 minutes)
6. 6:45PM City Council Liaison Updates (10 minutes)
7. 6:55PM Public Comments on Items Not on the Agenda (5 minutes, more as needed)
8. 7:00PM LSAB Member Updates and Reports 5 minutes, more as needed)
10. Discussion Item: Sustainability Action Plan: Local Food and Agriculture
11. Discussion Item: 2020 LSAB Work Plan – Initial Discussion
12. Administration Tasks
   A. Log Volunteer Hours
   B. Work Plan Review for Next Meeting
13. Adjourn
Louisville Sustainability Advisory Board
Meeting Minutes: Wednesday, September 18, 2019
City Hall, 749 Main Street, Spruce Room

Chair: Allison Johanson                  Secretary: Laura Levesque-Catalano

1. Call to Order: The meeting was called to order at 6:30 pm.

2. Roll Call: (Members present in bold): Seth Adams, Allison Johanson, Laura Levesque-Catalano. Marianne Martin, Mark Persichetti, Melanie Dubin, City Council Liaison Jay Keany, City Sustainability Coordinator Katie Baum, City Facilities Manager Jorge Calderon, Visitors: Neil Hendrix, Elizabeth Anast

3. Approval of current meeting Agenda: Approved with no changes

4. Approval of the August 2019 Meeting Minutes: Approved with no changes

5. City Staff Updates:
   Katie (Sustainability Specialist)
   a. Green Business will begin to pick back up in September and October with City, Chamber and Xcel communications being dispersed. As of August, there are about 20 applicants and is similar to past participation at the same time in 2018. In 2018 the program concluded with 29 participating businesses, and in 2017 the program concluded with 38 businesses. Staff and PACE are planning for a green business networking event in early/late November at Crystal Springs in the CTC as a means to engage businesses before the December 15th deadline.

   b. The Boulder County Sustainability Matching Grant is open and will close September 25th. The City seeks to continue funding of the Sustainability Specialist position with the grant funding. Per County stipulation, the City is required to start transitioning the position away from the grant, being either partially or completely funded by the municipality within the next two years.

   c. The Zero Waste Grant through Boulder County has opened will close Oct. 4th.
      Increase recycling locations. $100k amount we can ask for. Provide electronics recycling events. Can $ be used to incentive biz to recycle. Restaurants like Zucca can apply for grant separately. Can use City Communications and Chamber of Commerce to get message to community businesses about grant funding availability. Per recipient went from $10 - $15 per.

   d. The City has been awarded a scholarship to become a Solar and Storage Friendly Community for 2019. Working with COSEIA to build out matrix.
Looks at code and policy barriers to solar installation and overcoming slow permit times.

e. The **Transportation Master Plan** will go before Council in October. Staff has passed LSAB recommendations along to the project leads.

f. The City applied for a **Charge Ahead grant** on February 15th for a Level 2 charger to be installed at the newly renovated Recreation Center. Staff has received three bids for the equipment and installation and has selected the vendor for installation. Installation is still set for completion for Fall 2019. Chose National Car Charging and charger is Charge Point. Will be a pay service. And another location slated for the Golf Course.

g. Staff has finalized signage and vendor for the new recycling and composting receptacles for Parks and Open Spaces. Three bids have been collected and a vendor has been selected. Completion of the project is still set for Fall 2019.

h. Employees at the City will be growing their recycling and composting knowledge. A Boulder County PACE advisor will be joining City staff for four outreach events at four separate facilities in November to go over proper recycling and composting practice.

i. The **Green Living Fair on October 12th** in the library, needs day of support – please consider volunteering as help is needed. From 12:30 – 3:30 (includes break-down time) and help on set-up side. Event time is 1-3pm.

j. Open Board Positions:
   i. Dir. of Economic Development and Vitality – position open.
   ii. Youth Advisory Board also has 3-4 openings.
   iii. 3 LSAB postions are open (Marianne and Dan are not reapplying) Allison will reapply.

6. **City Council Liaison Update**: Jay Keany
   a. Should we outlaw confetti at the parade? Citizens have suggested blocking storm drains during parades to prevent trash. Suggested taking a position before Parade of Lights.
   b. Add more trash bins during parades.
   c. Next Council starts in Nov. and will influence 2021-22 budget cycle.
   d. Susan Loo, Bob Muckle and Jay Keany complete their posts in Nov.
   e. First mtg with new Council is Nov. 19th.

7. **Public Comments on Items Not on the Agenda** (no comments)

8. **Energy Future Collaboration Work Plan** (Katie Baum)
   a. Background: In 2018, the City of Louisville entered into a partnership with Xcel Energy through the Energy Future Collaboration program. The City and Xcel signed a Memorandum of Understanding that provides a strategy and framework for cooperation and achievement of a shared vision through broad collaboration, focusing on innovation, clean energy, economic development opportunities, customer choice programs and technology. Unlike the previous Partners in Energy program, Energy Future prioritizes both renewable energy integration and energy efficiency and usage reduction and focuses primarily on commercial/industrial, residential and municipal use. The City and Xcel developed the Energy Future Work Plan as a guiding document for action items. The plan focuses on information sharing, alternative energy and carbon reduction goal setting, energy efficiency, transportation electrification and
economic development. Since the development of the EFC Work Plan, staff, Council liaisons and Xcel have met for three quarterly meetings. Completed action items include:

i. 2018/2019 report card for public outreach

ii. Green Business Breakfast w/ Xcel outreach. Ideas for incentivizing businesses:
   a. Marketing credo
   b. Locking in attractive energy rates for long term contracts
   c. Local case studies – sparks behavioral change
   d. Interactive map of high-use neighborhoods.
   e. Could buildings of a certain size voluntarily report their energy usage? Just the practice of reporting has shown to reduce energy by 2%. Can ask Xcel if they can info share with County for their info. Data of individual business’ energy usage will be protected.

iii. City to begin implementing Energy Start Portfolio for major municipal facilities

iv. City to begin conducting municipal facilities’ building audits

v. Analyze what 100% renewable looks like for community goal-setting and considering programs available to assist in closing the carbon-free gap.

vi. Finalize and adopt carbon-reduction goal setting for municipal and community-wide and establish measurements of success.

vii. Check-in on second round of Renewable*Connect participation opportunities. Tentative Phase schedule as follows:
   a. Xcel anticipates filing this program for Public Utility Commission approval in Summer 2019
   b. Pending approval, the new renewable resource will be acquired throughout 2020
   c. Pending approval, customer enrollment for the program can begin as early as fall of 2021
   d. Construction to begin on this renewable resource by early 2022
   Program begins producing energy in early 2022

viii. Utility bill insert for residential rebate outreach in June

ix. Choose and finalize three late spring/summer events for Home Energy Squad showcasing/participation

x. In progress:
   a. Multi-family outreach and small business education on lighting program
   b. Municipal auditing – will not be complete by 2019

xi. Next Steps: The fourth quarter EFC meeting will focus on developing the 2020 EFC Work Plan. Staff seeks input from LSAB on priority areas, feedback regarding the progress made and areas that need more focus.

9. Sustainability Plan Updating – Climate and Energy; Suggestions
   a. Separate Climate and Energy as they are 2 different topics.
   b. Climate may be renamed as Environmental Stewardship.
   c. Suggestion to put SMART goals with more specifics in beginning of each section.
   d. Can explore using the State of Colorado’s goals for actionable dates and measurements and/or Boulder County’s goals.
e. Source and demand. Get cleaner sources and reduce demand of usage. Melanie offered to work on this.
f. Instead of Mid-term and Long-term use dates instead or say mid-term is 1-3 years – e.g. specify data range.
g. Recommendations from LSAB goes to staff to review.
h. Case studies can be added where Latin placeholders are
i. Community in Action will be the stories that residents and/or commercial success stories can tell.

10. **Log volunteer hours.** See table below

11. **Items for discussion at next meeting**
   a. Waste and Local Food and Agriculture. Lea Yancey may invite representatives from waste industry.
   b. Review Climate and Energy section of Sustainability Action Plan

12. **Adjourn**

Memorandum

To: Louisville Sustainability Advisory Board
From: Katie Baum, Sustainability Specialist
Date: October 16, 2019
Re: Staff Updates

General

- Green Business workshops update:
  - April 16th – Marketing your Green Business: **15 attendees**
  - May 9th - Electric Vehicle Charging Station Workshop & EV Test Drive: **20-25 attendees**
  - June 18th – Commercial Water Conservation: **11 attendees**
  - July 25, 3:00pm, My Green Workplace/Office Sustainability Workshop @ Baille Barbour State Farm in Erie, hosted by PACE and Xcel’s Partners in Energy: **10 attendees**
  - August 29, Boulder County Recycling Center (BCRC) tour: **20 RSVP’s, 25 capacity**
  - **LAST GB WORKSHOP OF 2019:** October 30th, Sustainable Purchasing Practices Workshop @ BBP on Main St in Longmont, hosted by Matt LeBeau. RSVP [https://www.eventbrite.com/e/sustainable-purchasing-workshop-tickets-75868802631](https://www.eventbrite.com/e/sustainable-purchasing-workshop-tickets-75868802631)

- Staff and PACE are planning for a green business networking event in early/late November as a means to engage businesses before the December 15th deadline. This will take place at Crystal Springs Brewery on November 7th. RSVP is to follow.

- The Boulder County Sustainability Matching Grant has been submitted. The City seeks to continue funding of the Sustainability Specialist position with the grant funding.

- The Boulder County Zero Waste Matching Grant has been submitted. The City seeks to increase recycling and composting capabilities in parks and open spaces.

- On August 6th, Council approved emissions reduction and carbon-free energy integration goals. Communications regarding the goals are being built out by staff for display at City facilities.

- The City applied for a Charge Ahead grant on February 15th for a Level 2 charger to be installed at the newly renovated Recreation Center. Installation is still set for completion for Fall 2019.

- Staff has finalized signage and vendor for the new recycling and composting receptacles for Parks and Open Spaces. Bins have been ordered.
City of Louisville
City Manager’s Office

- Employees at the City will be growing their recycling and composting knowledge! A Boulder County PACE advisor will be joining City staff for four outreach events at four separate facilities in November to go over proper recycling and composting practice.
- City facilities benchmarking has begun with Sustainability Specialist as project lead.
- The Transportation Master Plan was adopted unanimously in early October. A final version is being completed and will be sent to LSAB via Sustainability Specialist.
- The City’s website redesign is expected to launch January 2020. Monthly Community Updates have now been delivered for three months, and sustainability stories are continuing to be developed for communications. Feedback is ongoing.
- City is evaluating electronics recycling event for 2020. Sustainability Specialist leading.
- Green Living Resource Fair took place on October 12th. A follow up survey will be sent out to RSVP’s attendees and exhibitors to gain feedback. Melanie – thank you for supporting on behalf of LSAB.
- Next steps – None.
Memorandum

To: Louisville Sustainability Advisory Board
From: Katie Baum, Sustainability Specialist
Date: October 16, 2019
Re: Discussion Item 9: Sustainability Action Plan: Waste

Summary

In 2012, the Louisville Sustainability Advisory Board tasked themselves with the creation of a document to outline recommendations for the City. The Sustainability Action Plan is intended to articulate Louisville’s vision to create a more sustainable community as well as provide a roadmap for achieving our collective goals.

Adopted by City Council in 2016, the plan includes guidelines for internal City operations as well as communitywide approaches for residents and businesses. In general, the current plan has a focus on environmental impacts and their potential economic benefits.

Due to the nature of the Louisville Sustainability Action Plan (LSAP) as a guiding and living document, staff and LSAB has recognized needed updates to the LSAP and tasked themselves in 2019 with updating and amending the framework. Over the course of 2019, discussions and dialogue between staff and LSAB will be ongoing regarding necessary updates and will be discussed by topic area.

Next Steps

Staff seeks input and feedback on Waste goals and objectives. See comparison chart.
## Sustainability Action Plan Updating: Waste

Re: Discussion Item 11: 2020 LSAB Work Plan – Initial Discussion

Summary

For the 2019 year, staff developed a tentative and flexible 2019 LSAB work plan. To develop consistency and purpose for all Boards and Committees, staff would like to develop a 2020 work plan for LSAB.

Next Steps

Staff seeks input and feedback on LSAB’s 2019 agenda and initial input for a 2020 agenda. 2019 LSAB agenda attached.

* This is a tentative work plan for 2019. Work plan is subject to change depending on internal or external demand or necessity and is to be evaluated for changes during LSAB monthly meetings.
Monthly Timeline:

1. Agenda will be sent to Board Chair the first Monday of each month for input/finalization.
2. Board Chair will let Staff Liaison know of any input or necessary changes by the first Wednesday of each month.
3. The Board Chair will finalize the Agenda and previous meeting minutes and submit to Kerry Holle, Public Works Sr. Administrative Assistant, each Tuesday prior to the week of LSAB meeting.
