Job Description:

Valuation for the work being completed: \$

This application becomes null and void if permit is not issued within 180 days of application date. I hereby certify that granting of a permit shall not be construed as a permit or an approval of any violation of either the Municipal or the 2018 International Building Codes or any other state or local law regulating construction or the performance of construction. All provisions of law and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction or performance of construction. Permit and tap fees are subject to change at the beginning of each calendar year.

Note: Fees are assessed at time of permit issuance and are subject to city ordinance in effect at that time.
