Volunteer Projects

Mandy talked about how the Broomfield Trials marathon went well and that the Community Food share project (Nov. 25, 9am-12) is coming up, as is Pancakes with Santa (Dec. 12 5-8pm). For January, the board discussed volunteering at A Precious Child. Bruce will look into it for the group.

Project Ideas

The board broke into 3 groups and discussed ideas for the long-term project. One group suggested a Service Day where people would volunteer somewhere on a certain day and a book Donate where the board would supply books to the Little Free Library. Group two suggested a John Breaux day that would encompass the neighboring communities that Broh also impacted (reach out to

◆

neighboring city Advisory Boards), a Recycling Center campaign to inform people about recycling and would conclude with a day of picking up trash, etc., and the idea to advertise Louisville Garden. The last group suggested a day of giving (clean Louisville, encourage people to help/do something good around the community), a kindness campaign (a day of giving but for an extended period), and hosting a city charity event at Community Park with games, raffle, food, and music.

The board discussed if these are already being addressed as the eco-cycle & other groups already promoting recycling, concert in the park type events already occurring, the Giving Tree is similar to a giving campaign but could be included in a project, and maybe the board could partner with these groups.

The board discussed that the big project would be centered around John Broh (and the idea of kindness) and have small projects each month for the public to do.

Next Steps

- Decide what to do for each month (New year, shovel snow, neighborly idea, variety of ideas each month, hold door, smile, etc.)
- Decide on name (John Broh Campaign, In the footsteps Campaign)
- Find ways to communicate ideas back to people (posters, social media - Facebook/hashtags, schools, attend city council meetings each month)

Discussion Items for Next Meeting

- Historical Museum coming Dec. meeting
- Discuss different city departments speaking to board or board could tour a city facility

Adjourn – The meeting was adjourned at **7:55 pm**.
