Capital Improvement Program (CIP)

The City’s CIP includes expenditures for buildings, land, parks, water and sewer plants, and other commodities of a significant value that have a useful life of several years. The planning period for the City’s CIP is 6 years. The expenditures for the first year of the program are incorporated into the current year’s budget.

The City will invest $16 million in 2020 capital projects including:

- Continuing Pavement Management Program
- Implementing Transportation Master Plan
