It is hard to believe that this is the final program newsletter for the 2019-2020 school year. It has been a great year with the children and families exploring, learning and growing in our new classrooms. Thank you for being a part of the preschool community at the Louisville Recreation & Senior Center.

**Parent / Teacher Conferences**
Parent / Teacher conferences went well. We love having the opportunity to discuss and celebrate all that the children are doing in preschool with the parents! Please continue to keep the lines of communication open. Thank you for your participation.

**Registration for Building Blocks/Stepping Stones 2020-2021**
We are excited to have so many families continuing with us next school year. For those that enrolled for the 2020-2021 school year, Mandy will invoice families in early April for the deposit which will be due that month (one month’s tuition which is applied to May 2021). You may pay this deposit online at www.louisvillerecreation.com by logging into your account or at the Recreation Center front desk once you receive your invoice. Please contact Mandy if you have any questions.

**Public Service Reminder:** to those moving on to elementary school, local elementary schools are currently conducting registration for Kindergarten and may offer open houses or info nights.

**Scholastic Book Orders**
March Scholastic Book Order due on Wednesday, March 4. April is our last opportunity to order from Scholastic, so stock up on your summer reading materials! April Book Orders due Wednesday, April 8. Fliers will be available the week prior to the due dates. If you would prefer to order on-line, go to [http://www.scholastic.com/clubsordering](http://www.scholastic.com/clubsordering). You will be prompted to sign in as a parent and create your own account with your own and password. Then link your account with ours as prompted to do using the class activation code GW3BG!

**Outdoor Time**
Weather this time of year is changing all the time, please make sure to send your preschooler to school with all of the outerwear they may need. We try to get outside each day, but also have indoor active play options if it is wet or muddy on the playground. Please label all belongings clearly. All coats, etc should be kept in the larger cubbie with hooks with hats and mittens securely tucked in the sleeves. Please apply sunscreen before dropping off to class.
