This completed form documents your request to inspect criminal justice records in the custody of the Louisville Police Department and will be retained in the record’s file. This form is a public record and may be released.

There is no fee for the first twenty-five pages of each report. Most records are not available for immediate inspection or dissemination and will be ready for you within three weekdays. An extraordinary request such as a large data search or high volume copying may take more than three weekdays, and may require paying for the reports. If there could be a charge of more than $20.00 you will be given an estimate first.
