Subject: Supplemental funding for Sister Carmen

Dear City Council -

My name is Rebecca Alderfer. I serve as the City of Louisville's appointed representative to the Boulder County Health and Human Services Advisory Committee. This committee is also often referred to as the Family Resource Network Advisory Board.

As you are all probably aware, basic human needs continue to top the list of priorities for families and individuals caught in the fallout from COVID. This includes food, diapers, formula, rental assistance and help getting engaged with programs such as SNAP, WIC or having to enroll in Medicaid for the first time in the lives in order to have health insurance. These are all services that Sister Carmen provides for citizens in the Louisville community.

I support increased funding for the family resource network in this moment. These agencies are the ones supporting the County and community to manage daily needs.

Thank you!

Best Regards,

Rebecca Alderfer

Dear Mayor Stolzmann and City Council Members. I represent the Louisville Community Food Bank, 741 Jefferson. We are Louisville's resource for the Food insecure.

I noticed on your City Council website that you are awarding additional grant money on Tuesday night. I understand we are being penalized for 2 years, due to the false assumption that we were under Louisville UMC governance. In this time of Covid19, I am asking for you to reconsider and approve LCFB a \$900 grant.

As you can see LCFB is a 501c3 not for profit. We have been serving the great residents of 80027 for over 40 years. If I can answer any questions, please feel free to contact either Kim Echols or me.

Respectfully,

Nancy Holloway, 303-8083660, npaluh@msn.com

Hello, Kim –

In 2018, the City Council approved distributions under the City's Non-Profit Grant Program for both 2019 and 2020. Later this year (around the middle of June), the City will send out Non-Profit Grant application forms for distributions in 2021 and 2022.

I have you on our mailing list as:
Louisville Community Food Bank

1025 Front Street
Louisville, CO 80027
Attn: Kim Echols, Co-Chair

Please confirm your correct address and let me know if you have any questions. Thank you!

Kevin C. Watson
Finance Director

Good morning Kevin,

Happy New Year's Eve! 2019 is almost gone and looking forward to a happy and prosperous 2020.

I am reaching out to you regarding LCFB and the opportunity to get back on the grant list for non-profits in the city. LCFB recently had a meeting with Megan Davis regarding our visibility in Louisville. I also have spoke personally to our new mayor Ashley Stoltzman and met Heather Balser last week at a meeting at the Lydia Morgan facility. Police Chief Dave Hayes is a big supporter of our effort as well.

Since LCFB is now our own 5013C, is it possible that we can again be considered for the grant program?

I would love to meet with you in the new year to discuss our goals for 2020 as well as to further discuss the grant opportunity.

Looking forward to hearing back from you at your earliest convenience.

Sincerely,

Kim Echols - Co-Chair Louisville Community Food Bank
