Any petition may be amended within the given time frame to correct or replace those signatures which are found to be in apparent non-conformity with election requirements.

The Nomination Petition form is included in this section for your use.

**Process**

Introduction

This guide is provided to assist candidates and campaign committees with compliance of state laws regarding public disclosure of campaign contributions and spending. The guide includes some background on campaign finance and key items to remember.

Background

In November, 2002 voters approved Amendment 27. This added campaign and political finance provisions, Article XXVIII, to the Colorado Constitution. To align statutory provisions with the new constitutional law, the State’s General Assembly enacted House Bill 1132 in 2003 to modify the Colorado Revised Statutes in Title I, Article 45, the Fair Campaign Practices Act (FCPA). Additional changes have been made to Article 45 since 2003, and the Secretary of State has provided clarifying rules to assist with the implementation of the constitutional and statutory provisions.

These laws apply to City of Louisville candidates running for Mayor and City Council, and they apply to committees supporting or opposing Louisville ballot measures.

Remember that the State’s Constitution, Statutes and Rules cover a broad range of state, county and other elected positions and committees other than those at the municipal level - reading through this material to decide which provisions are relative to your particular situation can be a challenge but is critical to compliance with campaign reporting requirements.

Laws Regulations, Forms, and Other Resources

A link to key resources is below, including: (1) Constitutional provisions, (2) statutory provisions, and (3) rules of the Secretary of State. The web site of the Colorado Secretary of State contains some excellent material that may be helpful for local candidates and committees including advisory opinions, decisions from the Office of Administrative Courts, and frequently asked questions about Colorado Campaign Finance Laws. A link to the campaign finance section of the web site is as follows: http://www.sos.state.co.us/pubs/elections/CampaignFinance/home.html

Reports are Public Records

Campaign reports are considered open records and copies are frequently requested. Reports will be made available for public inspection and posted on the City’s website.

Do I Need to Form a Candidate Committee?

The first question typically asked, is “Where do I begin and what is needed to begin accepting contributions or spending money to support a local candidate, or to support/oppose a local ballot measure?” You do not need a candidate committee if you will not solicit or accept contributions during your candidacy or if you will only spend your own money. However, you still must report expenditures to the City Clerk.

Registration of a committee is the first step! Campaign finance laws require your committee be registered before accepting contributions or making expenditures, and then there are periodic reports that must be completed and filed with the City Clerk. There are reporting deadlines to track and other requirements with which to comply.
Key Items and Dates to Remember

- File campaign reports with the *Louisville City Clerk’s Office, 749 Main Street or by email to MeredythM@LouisvilleCO.gov.*

- Forms for local candidates are available at the City Clerk’s Office.

- **Filing deadlines for the November 3, 2020 election:**
  - October 13, 2020: reporting period is beginning of campaign through October 13
  - October 30, 2020: reporting period is October 13 through October 30
  - December 3, 2020: reporting period is October 30 through December 3
  - November 1, 2021: Annually thereafter until committee closed
  - Amended reports: If needed, may be filed at any time

- Once opened, a committee can only be closed by filing a termination report that includes a zero balance.

- All contributions received must be deposited in a financial institution in a separate account with a title that includes the name of the committee.

- All contributions of $20 or more must be itemized and include name of address of each person contributing; add the occupation and employer of each person making a contribution of $100 or more.

- Contact the City Clerk’s Office with any questions (MeredythM@LouisvilleCO.gov or 303.335.4536).

CODE OF ETHICS

ARTICLE 5

LOUISVILLE HOME RULE CHARTER
ARTICLE 5

ETHICS

Section 5-6. Code of Ethics - Declaration of Purpose.

(a) Sections 5-6 through 5-17 shall be known as the Code of Ethics.

(b) Those entrusted with positions in the City government must commit to adhering to the letter and spirit of the Code of Ethics. Only when the people are confident that those in positions of public responsibility are committed to high levels of ethical and moral conduct, will they have faith that their government is acting for the good of the public. This faith in the motives of officers, public body members, and employees is critical for a harmonious and trusting relationship between the City government and the people it serves.

(c) While it is critical that persons holding positions in the City government follow both the letter and spirit of the Code of Ethics, it is equally important that they strive to avoid situations that may create public perceptions of violations of the Code of Ethics. Perceptions of such violations can have the same negative impacts on public trust as actual violations.

(d) The Code of Ethics is intended to foster public trust by defining the parameters of honest government and by prohibiting the use of public office for private gain.

(e) To the extent matters addressed in the Code of Ethics are also addressed in state or federal law, it is the intent of the Code of Ethics that the more restrictive provisions shall control.

Section 5-7. Code of Ethics - Definitions.

For purposes of the Code of Ethics only, the following words shall have the following meanings:

(a) "Business entity" means:

(1) Any corporation whether for profit or nonprofit, governmental entity, business, trust, limited liability company, partnership, association, or other legal entity; and

(2) Any other form of business, sole proprietorship, firm, or venture, carried on for profit.

Nothing in this paragraph shall prohibit any officer, public body member, or employee from accepting an occasional nonpecuniary gift of fifteen dollars ($15.00) or less in value, or from accepting an award, publicly presented, in recognition of public service. However, no officer, public

The statement shall contain:

   (A) An acknowledgment that, for the purposes of Sections 5-9 and 5-10, the person is deemed to have an interest in his or her own financial affairs, and in that of the person's spouse and other relatives as specified in the Code of Ethics; and

   (B) An acknowledgment that, for the purposes of Sections 5-9 and 5-10, the person understands that he or she must disclose such an interest pursuant to Section 5-10 and comply with the non-participation provisions thereof, and that it is a violation of the Code of Ethics to fail to file the statement within the time required herein; and

   (C) Such additional information as the person making the disclosure desires.

(b) Except as specifically provided herein, the form and content of the disclosure statement referred to in Subsection (a) shall be established by resolution of the City Council.

(c) Notwithstanding any other provision of this section, no candidate, officer, or public body member shall be required to disclose any confidential relationship protected by law.

(d) By no later than September 10 of each year, each officer shall file an amended disclosure statement with the City Clerk, or notify the City Clerk in writing that the officer has no change of financial condition regarding the disclosed items since the previously filed disclosure statement.
Section 5-12. Code of Ethics - Enforcement.

(a) The provisions of Sections 5-9 through 5-11 shall be enforced as follows:

(1) The City Prosecutor shall have the primary responsibility for administration of said provisions.

(2) Any person who believes that an officer, public body member, or employee has violated any of said provisions and wishes to initiate proceedings on such alleged violations shall file a written complaint with the City Prosecutor. The complaint shall state in detail the facts of the alleged violation, shall specify the section or sections of the Code of Ethics alleged to have been violated, and shall contain a sworn or verified statement signed by the complainant and stating under penalty of perjury that the information in the complaint is true and accurate, and that the complaint is filed in good faith and not out of malice or any other improper motive or purpose. Any complaint which does not contain such a signed statement shall be returned forthwith to the complainant without action.

(3) If the complaint is made against an officer or public body member, within ten (10) days after receipt of the complaint the City Prosecutor shall forward a copy of the complaint to the officer or public body member against whom the complaint is made, and to an advisory judge referred to in Section 5-13. The City Prosecutor shall request the advisory judge to appoint a qualified disinterested attorney to serve as special prosecutor. If, within ten (10) days after the request, the advisory judge has not appointed a special prosecutor, the City's municipal judge shall appoint a qualified disinterested attorney to serve as special prosecutor. The reasonable expenses and fees of an advisory judge making such an appointment and of the attorney serving as special prosecutor shall be paid by the City. The attorney recommended or appointed pursuant to this paragraph shall serve as special prosecutor for purposes of investigation and action on the complaint, and shall take such actions concerning the complaint as are consistent with the Code of Ethics, the Colorado municipal court rules of procedure, and the prosecutor's ethical responsibilities. Before completing the investigation, the special prosecutor shall provide the officer or public body member against whom the complaint is made an opportunity to provide information concerning the complaint.

(4) If the complaint is against an employee, the City Prosecutor shall investigate the complaint and shall take such actions concerning the complaint as are consistent with the Code of Ethics, the Colorado municipal court rules of procedure, and the prosecutor's ethical responsibilities. Within ten (10) days after receipt of the complaint the City Prosecutor shall forward a copy of the complaint to the employee against whom the complaint is made and, before completing the investigation, shall provide the employee an opportunity to provide information concerning the complaint.

(b) A person commits false reporting of a complaint under this section if:

(1) The person makes a complaint of a violation under Sections 5-9 through 5-11 or knowingly causes the transmission of a complaint to the City Prosecutor of such a violation when the person knows that the violation did not occur; or
The person makes a complaint or knowingly causes the transmission of a complaint to the City Prosecutor pretending to furnish information relating to a violation of Sections 5-9 through 5-11 when the person knows that he or she has no such information or knows that the information is false.

A person who is convicted of false reporting of a complaint under this section shall be punished as provided in Section 16-7 of this Charter.

**Section 5-13. Code of Ethics - Advisory Opinions.**

(a) The municipal judge shall maintain the consent of one (1) or more judges of municipalities other than the City, to provide advisory opinions with respect to the applicability of Sections 5-9 through 5-11. The names of such advisory judges shall be provided to the City Council, the City Manager, and the City Attorney. The reasonable expenses and fees of an advisory judge providing such an opinion shall be paid by the City.

(b) If any officer, public body member, or employee is uncertain as to the applicability of Sections 5-9 through 5-11 to a particular situation, or as to the definition of terms used in said sections, the officer, public body member, or employee may apply in writing to the City Council, Mayor, or City Manager for an opinion from an advisory judge pursuant to this section, and the City Council, Mayor, or City Manager may submit an application to the advisory judge for procurement of an opinion. Any officer or public body member may apply directly to an advisory judge for an opinion. The application shall state in detail the applicable facts and the section or sections of the Code of Ethics concerning which the opinion is requested.

(c) Any person who requests and acts in accordance with an advisory opinion issued pursuant to this section shall not be subject to any penalties for such action under the Code of Ethics, unless material facts were omitted or misstated in the request for the advisory opinion.

(d) An opinion rendered by an advisory judge pursuant to this section shall be disclosed to the public by posting, unless the advisory judge who issued the opinion determines it in the best interest of the City to delay such posting, in which case the opinion shall be posted as soon as the judge determines that the best interest of the City will no longer be harmed by public disclosure of the opinion.

**Section 5-14. Code of Ethics - Violations - Penalties.**

An officer, public body member, or employee who is convicted of a violation of any of the provisions of Sections 5-9 through 5-11 shall be punished as provided in Section 16-7 of this Charter.

Any contract which was the subject of any official action of the City in which there was or is an interest prohibited by the Code of Ethics shall be voidable at the option of the City, if legally permitted. Where the City Attorney determines that the public interest may best be served by not voiding such contract, it may be enforced and an action or proceeding may be brought against any officer, public body member, or employee in violation of the provisions of the Code of Ethics for damages in an amount not to exceed twice the damages suffered by the City or twice the profit or gain realized by the officer, public body member, or employee, whichever is greater.

The City Prosecutor shall have the power, where a violation of the provisions of the Code of Ethics is threatened or has occurred, to bring a civil action or proceeding at law or in equity for a judgment enjoining any violation of the provisions of the Code of Ethics.

Section 5-17. Code of Ethics - Distribution.

The City Clerk shall cause a copy of the Code of Ethics, and any forms required for compliance with the Code of Ethics, to be distributed to each officer, public body member, and employee of the City within twenty (20) days after the adoption of the Charter, and to each officer, public body member, and employee elected, appointed, or hired thereafter, before entering into any duties with the City, and to each candidate for elective office at the time the candidate obtains a nomination petition. In addition, the City Clerk shall cause a copy of any amendment to the Code of Ethics to be distributed to each officer, public body member, and employee of the City within twenty (20) days after the enactment of the amendment.

Section 5-18. Notices and Agendas.

(a) Any meeting of a public body shall be preceded by the posting of a notice of and agenda for the meeting. Except as provided in Section 4-2, the notice and agenda shall be posted, and published on the City's website, no less than 72 hours before the meeting.

(b) The agenda for any non-emergency meeting of a public body shall contain an itemized list of all subjects on which substantive discussions are reasonably expected or which may be the subject of formal action.

(c) No public body shall engage in substantive discussions relating to, or take formal action on, any subject at a non-emergency meeting when that subject was not listed in the agenda for that meeting and is not substantially related to any subject listed in the agenda, provided, however, that the City Council may engage in substantive discussions and take formal action on a matter of public business not on the agenda, upon a finding by the presiding officer that such discussions or action will promote the general welfare of the City, it is important that the matter be acted upon before the next
formal City Council meeting, and it would be injurious to the City to await action on the matter until the next formal City Council meeting.

(d) For purposes of this Section, a subject is not substantially related to a subject listed in the agenda when a person reading the agenda before the meeting would not have reasonably expected that the subject would be substantively discussed or formally acted upon at the meeting.

(e) At any non-emergency meeting of a public body, any member of the public who in good faith believes that a meeting is proceeding in violation of subsection (c) of this Section shall be entitled to submit a brief written objection to the official presiding over the meeting; the written objection shall specify the ground for the objection. The presiding official shall exercise his or her discretion in determining whether the meeting is in compliance with this Section, and shall conduct the meeting in accordance with that determination. The written objection shall be retained permanently in the records of the City. The City may adopt laws or regulations, consistent with this Section, to prevent the abuse of this subsection (e). ( Entire Section Added by Initiative Approved 11/02/04).
