

## Brooks Café Curbside Lunch Pickup

We are changing our pick up location beginning **Monday, June 29<sup>th</sup>** to accommodate the-reopening of the Recreation Center. We are moving our curbside delivery to the area near the Turf Gym, which is located in the southeast part of the building.

For safety reasons, we ask that you follow these guidelines:

**PLEASE DO NOT ARRIVE BEFORE 11:50 am**

Now that we are sharing the parking lot, we ask that you...

- 1) Watch out for pedestrians, people of all ages, crossing from the parking lot to the Recreation Center.
- 2) Drive slowly and cautiously.
- 3) Don't follow too closely.
- 4) Don't roll backwards.
- 5) Please be aware there are others using the parking by the playground.
- 6) Come to a complete stop when picking up your lunch and put your car in **PARK**. We have had too many near misses.
- 7) Remain in your car at all times.

### Driving Route for Meal site Pick-Up:

Enter the East main entrance to the center  
Proceed directly southbound  
Curve to the left around the playground  
Proceed to the circle behind the building  
Pick up meal from staff and then leave driving on the right side of the road  
Turn right and go north to exit the lot
