Applications Requiring Preliminary Review by City Council

Ordinance No. 1573, Series 2007 modified the land use review process to require preliminary subdivision plats and preliminary planned unit development (PUD) plans meeting specific criteria to be reviewed by City Council **after review** has been completed by the Planning Commission. The specific criteria are as follow:

- 1) Multi-family project
- 2) Single family developments exceeding six units
- 3) A preliminary development application requiring a Special Review Use
- 4) A preliminary development request seeking relief from the underlying zoning as set forth in title 16 and 17 of the Louisville Municipal Code or any relief from applicable provisions of the Commercial Development Design Standards and Guidelines (CDDSG) or the Industrial Development Design Standards and Guidelines (IDDSG)

The City Council review of the preliminary projects meeting the above criteria is subject to the following:

- 1) A public hearing will be held during a regular City Council meeting following the review and recommendation by the Planning Commission.
- 2) The City Council public hearing will be noticed in the same manner as the public hearing before the Planning Commission.
 - a. A public hearing notice shall be published fifteen days in advance of the Council meeting.
- 3) A postal mailing to the surrounding properties owners, as was done for the Planning Commission, shall be completed fifteen days in advance of the Council meeting.
- 4) The Council shall review and consider the Planning Commission's findings and recommendations, any staff reports, any referral agency comments and the minutes (possible draft copy only) from the public hearing before the Planning Commission.
- 5) The City Council may approve, approve with conditions, deny or remand back to the Planning Commission.

Applications Requiring Preliminary & Final Review Summary of Review Process

1. **Pre-application Conference:** (see page 11) is required for all projects. Call to arrange an appointment with a Planner.
2. **Submit Application:** Applicant is required to submit **all** documents as determined during the Pre-application Conference. Call to arrange a required appointment with the Case Manager.
3. **Referral:** Once the application is determined to be complete, Staff refers the completed application and all applicable information to other City Departments and outside agencies for comment.
4. **Comments to Applicant:** Staff reviews and compiles comments received during the referral process and relays, in writing, all comments to the Applicant.
5. **Plan Submittal:** Applicant submits the requested number of plan sets for the Planning Commission Public Hearing on the application.
6. **Planning Commission Public Hearing:** The Planning Commission holds a public hearing and will either approve (with or without conditions), deny, or they may continue the hearing to a specific date, generally within 30 days. The applicant should attend the public hearing.
7. **City Council Preliminary Review:** The City Council will hold public hearings on the following application types:
 - a. Multi-family project

Pre-Application Conference

AN APPLICATION WILL NOT BE ACCEPTED WITHOUT A PRE-APPLICATION CONFERENCE

PLEASE CALL THE PLANNING DEPARTMENT TO SCHEDULE

A Pre-application Conference is required by Louisville Municipal Code (LMC) prior to submitting any land use application. (LMC Sections 16.12.010 and 17.28.140)

A Pre-application Conference is intended to assist an applicant in becoming acquainted with the City's land use regulations and development review procedures. The meeting will be with a Staff Planner and other City Staff, as necessary. An applicant will be informed of relevant ordinances and design standards and guidelines during this meeting, as well as minimum application submittal requirements.

The applicant is expected to present a sketch site plan of the proposal for discussion. Additional information / plans may also be required.

NO formal or binding decisions are made during the Pre-application Conference.

At the conclusion of the Pre-application Conference the applicant should have a clear understanding of **ALL** documents required to be submitted to the Planning Department by the application deadline date (see Development Review Schedule).

The following additional reports will be discussed during the pre-application as to the applicability to the project:

- a. Drainage / Grading
- b. Environment Site Assessment
- c. Fiscal Impact Analysis
- d. Traffic Study
- e. Other as required by staff

If any of the reports are required then 3 copies of each report is required at submittal.

The following table will be completed during the pre-application conference to determine the number and size of plan sets to be submitted at the time of application.

Form: (LMC 16.12.080)

See Preliminary Plat Submittal Requirements (page 14)
After approval by City Council follow the

information & directions on page 27 & 28 for Finalize Documents, Prepare Mylars and Recordation Instructions.

Contents: (LMC 16.12.090)

- 1) Title under which the subdivision is to be recorded.
- 2) Legal description, accurate dimensions of all lines, angles, and curves used to describe boundaries, streets, alleys, easements, areas to be reserved for public use, and other important features. All curves shall be circular arcs and shall be defined by the radius, central angle, tangent, arc and chord distances and chord bearings. All dimensions, both linear and angular, are to be determined by an accurate control survey in the field which must balance and close within a limit of one in 10,000. No final plat showing plus or minus dimensions will be approved.
- 3) Names of all adjoining subdivisions with dotted lines of abutting lots. If the adjoining land is unplatted, it should be shown as such.
- 4) An identification system for all lots and blocks and names of streets.
- 5) An identification of the streets, alleys, easements, parks, other public facilities as shown on the plat, and a dedication thereof to the public use.
- 6) Total acreage and surveyed description of the area.
- 7) A description of all monuments, both found and set, which mark the boundaries of the property, and a description of all control monuments used in conducting the survey.
- 8) A statement by the land surveyor that the survey was performed by him in accordance with C.R.S. 38-51-101 et seq., or under his direct responsibility, supervision and checking.
- 9) A statement by the land surveyor explaining how bearings were determined.
- 10) The signature and seal of the registered land surveyor.
- 11) A delineation of the extent of the 50-year and 100-year floodplain, the effective date thereof and that the floodplain is subject to change.
- 12) Signature block for the City Council with signatures by the mayor, and the city clerk.
- 13) Signature block for the Planning Commission with Resolution and Series numbers.
- 14) All other matters required to appear on the final plat by this title or by action of the Planning Commission or City Council approving the preliminary plat or final plat.
- 15) Other documents required at the time of submission of the final plat shall be:
 - a. Preliminary engineering drawings and outline specification for all public facilities to be installed, i.e., water and sewer utilities, streets and related improvements, bridges and storm drainage.
 - b. Agreements made with ditch companies when needed.
 - c. Guarantee for public improvements.

Guarantees: (LMC 16.12.100)

- 1) A form acceptable to the city, furnished by the subdivider to assure the installation of all public improvements.
- 2) Prior to approval of the final by City Council, the subdivider shall execute an agreement with the city that guarantees shall be furnished for the construction of all public improvements. Building permits will be issued for only that part of the plat for which the required financial guarantee or guarantees has or have been provided.
- 3) The agreement to furnish such guarantees shall be recorded to put purchasers and other interested parties on notice. Upon written request from the subdivider, a release may be obtained for a lot or lots from the City Council when the terms of the agreement have been satisfied for the lot or lots involved.
- 4) The agreement shall further provide that if at any time there is a breach of such agreement, the city may withhold approval of all building permits within the subdivision until such breach or breaches have been cured.

Planned Unit Development (PUD) Preliminary Submittal Requirements

Application Submission (LMC 17.28.160)

- A. An applicant shall make application to the city for approval of the PUD. The applicant shall accompany his application with a preliminary development plan as specified in this section.
- B. The preliminary development plan must include both a preliminary development plan map and a written statement. The plan must show adequate extraterritorial area surrounding the proposed PUD to demonstrate the relationship of the PUD to adjoining uses, both existing and proposed.
- C. The PUD map shall contain the following information:
 - 1) The existing topographic character of the land at a contour interval of two feet if the slope is less than 10% (spot elevations may be required if land is too flat for contours), and five feet where the slope is greater than 10%.
 - 2) Proposed land uses and their respective acreage.
 - 3) The type and character of the proposed development and, if applicable, the proposed number of dwelling units per gross residential acre.
 - 4) The location of proposed streets.
 - 5) The location and size of proposed public and semipublic uses both dedicated and other.
 - 6) The location of areas of state interest as identified by the planning commission.
 - 7) Delineation of development stages as described in subsection D4 of this section.
 - 8) Notes specifying general conditions such as street right-of-way width, curb cuts and access control, and other pertinent factors when applicable.
- 9) Any existing and proposed utilities and easements.
- D. The written statement to accompany the PUD map must contain the following information:
 - 1) An explanation of the character of the PUD and manner in which it has been planned to take advantage of the PUD regulations.
 - 2) A statement of the present ownership and legal description of all land included within the PUD.
 - 3) A list of owners of abutting properties and properties located within 500 feet of the property lines of the land included in the PUD, complete with their addresses from available county records.
 - 4) A general indication of the expected schedule of development.
 - 5) All written information pertaining to matters of state interest as specified in chapter 17.32.
- E. The applicant may submit any other information or exhibits which he deems pertinent to the evaluation of the proposed PUD, and the planning commission may request additional information which it deems necessary for adequate review and evaluation.
- F. Accompanying the application shall be an application fee which shall be in an amount set by the city manager in accordance with section 17.04.080. The applicant shall be billed by the city for unique costs incurred relative to the particular development. Such costs will be paid in full prior to approval of the final development plan.

Planned Unit Development (PUD) Final Submittal Requirements

Submission Requirements (LMC 17.28.280)

- A. The final development plan, which may reflect an entire development stage as delineated on the preliminary development plan or any logical parts thereof, must be submitted within one year following the approval of the preliminary development plan, unless a written request is made for an extension of one year and such request is approved. If the final development plan proposes development which exceeds the staging schedule, the need for deviation from the schedule shall be documented and a revised development schedule shall be submitted.
- B. The final development plan shall be prepared at a scale of not less than one inch equals 100 feet, and shall be submitted in sufficient detail to evaluate the building design and other features of the planned unit. The final development plan must contain, insofar as applicable, the following minimum information:
- 1) The existing topographic character of the land at a contour interval of two feet if the slope is less than 10% (spot elevations may be required if land is too flat for contours), and five feet where the slope is greater than 10%.
 - 2) The proposed land uses and their respective acreage.
 - 3) The location and size of all proposed buildings, structures, utilities, easements and other improvements.
 - 4) The maximum height of all buildings shall be stipulated. Specific consideration must be given to the maximum height of structures or significant views which may be obscured.
 - 5) The density and type of dwellings, if applicable.
 - 6) The location, number of lanes, median width, curb cuts, access control and proposed turning movement restrictions of arterial streets.
- 7) The location of collector and local streets.
 - 8) The off-street parking areas, service areas including trash areas, loading areas and provisions for bicycle trails and bicycle storage.
 - 9) The location, height and size of proposed signs, lighting and advertising devices.
 - 10) The areas to be dedicated to the city or reserved as common areas.
 - 11) The 100-year floodplain and floodway, if applicable.
 - 12) A general landscape plan at the time of submission to be followed by a detailed landscape plan once the plan has been approved showing the spacing, sizes and specific types of landscaping material, including parking areas.
 - 13) Proposed architectural elevations.
 - 14) A development schedule setting forth timing for construction of the development.
- C. Copies of any special agreements, conveyances, restrictions, or covenants which will govern the use, maintenance and continued protection of the planned unit and any of its common park areas must accompany the final development plan.
- D. The applicant may submit any other information or exhibits he deems pertinent in evaluating his proposed planned unit development, and the planning commission may request additional information which it deems necessary for adequate review and evaluation.

Special Review Use (SRU)

Formal Written Response Requirements

Formal written response to each of the following Special Review Use criteria:
(LMC Section 170.40.100 – Criteria and conditions for approval)

- 1) *That the proposed use / development is consistent in all respects with the spirit and intent of the comprehensive plan and of this chapter, and that it would not be contrary to the general welfare and economic prosperity of the city or the immediate neighborhood;*
- 2) *That such use / development will lend economic stability, compatible with the character of any surrounding established areas;*
- 3) *That the use / development is adequate for internal efficiency of the proposal, considering the functions of residents, recreation, public access, safety and such factors including storm drainage facilities, sewage and water facilities, grades, dust control and such other factors directly related to public health and convenience;*
- 4) *That external effects of the proposal are controlled, considering compatibility of land use; movement or congestion of traffic; services, including arrangement of signs and lighting devices as to prevent the occurrence of nuisances; landscaping and other similar features to prevent the littering or accumulation of trash, together with other factors deemed to effect public health, welfare, safety and convenience;*
- 5) *That an adequate amount and proper location of pedestrian walks, malls and landscaped spaces to prevent pedestrian use of vehicular ways and parking spaces and to separate pedestrian walks, malls and public transportation loading places from general vehicular circulation facilities.*

Finalize Documents, Prepare Mylars and Recordation Instructions

Planned Unit Development (PUD) and Subdivision Plat (Plat):

- 1) After receiving final approval from City Council, a paper copy of the final PUD or Plat documents should be provided to Planning Staff for review. The paper copy should incorporate all changes made during the review process. It also represents what the applicant intends to have recorded with the Boulder County Clerk and Recorder.
- 2) Planning Staff will review the documents to ensure all changes made during the review process have been incorporated into the final copy. Staff will notify the applicant of any edits needing to be made.
- 3) When the paper copy is determined by staff to be complete, the applicant will be notified and the documents can then be produced on Mylar film. (See Mylar Film Preparation below)
- 4) Two sets of Mylar documents are required for recordation. Each set is required to contain original signatures from the development team (i.e., ownership group, surveyor's signature and seal, attorney, etc.).
- 5) Once the required signatures mentioned in step 4 have been obtained, the applicant will deliver the documents to the Planning Department for the signature of Louisville City Council and any other required City department or commission.
- 6) After the City has completed all the required signatures, the applicant will be contacted to pick up the signed Mylars from City Hall.
- 7) The applicant will deliver the signed Mylars to the Boulder County Clerk and Recorder for recordation. All appropriate recording fees will be paid by the applicant.

Notes:

- 1) Building permits associated with a particular PUD will **NOT** be issued before the City of Louisville receives confirmation from the Boulder County Clerk and Recorder that the PUD has been recorded.
- 2) Recordation of multiple documents (subdivision and development agreements) will be coordinated by City Staff.

continued

Mylar Film Preparation:

The following information is to aid the applicant in the final preparation of the Mylar Film. This information was provided by the Boulder County Clerk and Recorder.

- 1) Two sets of documents are to be made from a dimensionally stable Mylar:
at least three (3) mills thick
- 2) Printed as a photographic process – heat set – with non-fading, permanent, reproducible ink on the front of the Mylar
- 3) Black ink only – no color or light gray print
- 4) Original signatures and seals only
- 5) Dimensions are to be 24” x 36” with:
 - a. A minimum ½ inch margin on all sides.
- 6) The words “Site Plan” can **NOT** appear anywhere on the document
- 7) The check for the recording fee should be written to the Boulder County Clerk and Recorder. The recording fees, which are based on only one set of documents, are as follows:
 - a. \$11.00 for the first page
 - b. \$10.00 for each additional page

	FEE	Project types requiring a public hearing will also pay a publication fee of \$85.00 for each required public notice.
