

## City Manager's Update for July 19, 2019

### Louisville & Superior Open House for Airport Noise Mitigation

- Louisville and Superior will host a joint open house on Wednesday, July 24<sup>th</sup> at 6 pm at Louisville City Hall (749 Main Street) in Council Chambers. City and Town staff will share draft strategies for noise mitigation and solicit input from residents on those strategies.

### Boulder County Youth Corps Helps Parks Staff

- As the Beatles would say, "we get by with a little help from our friends". You might have noticed the Boulder County Youth Corps out in the parks. The picture below shows one of the projects the Youth Corps accomplished this week. A big thanks to the Youth Corps for their assistance!

### Stomp Rocket Fun at the Library

- 55 people made "stomp rockets" at the Louisville Public Library on July 14<sup>th</sup>. For 2 hours, families created rockets, launched them and then refined and improved their designs. Lots of STEM skills were learned and everyone had fun seeing how far the rockets could go (a few paper rockets might have even ended up on the Library's roof!).

### **Infield Resurfacing at Louisville Sports Complex**

- Parks staff have started the infield resurfacing project at the Sports Complex. The project will improve playability, address drainage issues, improve sod transitional grade and reduce the amount of rainouts. Fun fact: this is the same infield mix used at Coors Field!
