Facial Covering Requirements for Staff
- There have been some questions about how City/State requirements for facial coverings apply to staff. City employees are required to wear facial coverings when working on-site or in the field. As public employees, we have high profile jobs and people in the community look to us as examples. Please wear a facial covering whenever you’re in the workplace or working in the field. When in a car by yourself, alone in a closed office, eating lunch, etc., it can be removed but should be on-hand.

COVID-19 Update
- On June 30, Governor Polis extended Safer at Home and in the Vast, Great Outdoors amid an increase in COVID-19 cases over the last few weeks. Local communities will eventually have the ability to enter the Protect Our Neighbors phase if they meet the thresholds defined by public health orders. We’ve recently seen an increase in cases in Boulder County, so we may not see this next phase until we’re able to meet these standards.
- With more activities open and available to the public, it is everyone’s responsibility to do whatever they can to reduce the spread of the disease. **Always stay at home when you are sick. If you go out, remember the big three: wear a facial covering, wash your hands frequently; and maintain physical distance with others.**
- Extension of facial covering ordinance – City Council extended facial covering requirements until August 30. You can view the ordinance at [https://www.louisvilleco.gov/home/showdocument?id=26979](https://www.louisvilleco.gov/home/showdocument?id=26979).
- City Hall is open for appointments on Tuesdays and Thursdays between 8 am and 12 pm. Please avoid visiting offices within City Hall unless you have an appointment. The Recreation Center reopened on July 1 with restrictions. The Police Department and Court window is open by appointment only for services not available online (Mon/Wed 10 AM-2 PM). Computer stations at the Library can be reserved for 2 hours Wed/Thurs/Friday 10 AM-6 PM and the Library is now open for limited hours for in-person services. The Arts Center is available to rent for groups of up to 10 people. Water, Wastewater and City Services remain closed to the public.
- In-person staff meetings among City employees may resume in smaller groups and preferably outdoors. Please note that meetings can occur if there no more than 10 people and participants practice social distancing of at least 6 feet and wear facial coverings.
- The following facilities remain closed: Senior Center, splash pad at Community Park and Memory Square Pool (closed for the 2020 season). You can read the City’s Phase II
Reopening Plan, at https://www.louisvilleco.gov/home/showdocument?id=27599 along with the Phase I Reopening Plan. Please note the City's reopening plans may change based on public health guidance. The City’s phased approach to reopen facilities and services is based on our commitment to protect City staff and residents, and in adherence with the most up-to-date State of Colorado and Boulder County public health data and orders.

- For more information, visit the City’s website at https://www.louisvilleco.gov/covid19.

City Launches New Website
- You may have noticed that the City launched a new website on Tuesday. Thanks to all the staff who have been involved in this project! A few new features of the site include a Service Finder, Problem Reporter and much more. If you’re used to looking up pages through a search engine like Google, you’ll need to give it a few days as our site is re-indexed. If you search through the City’s search tool (see screenshot below), it should take you to the correct page.
- Also remember to update your favorites in your internet browser as the links have changed with the new navigation. We’re planning to do a larger announcement to the community in the next few weeks after we’ve worked out most of the kinks.

Library Reopens for Limited Services
- The Library is now open for limited hours for in-person services. You can visit the Library to browse, pick-up holds or use the computers during the following times:
  - Sunday – Closed
  - Monday – 10 AM-2 PM
  - Tuesday – 10 AM-2 PM
  - Wednesday – Closed
  - Thursday – 5-8 PM
  - Friday – Closed
  - Saturday - Closed
- If you are a vulnerable population for COVID-19, please call us at 303.335.4820 and we'll set up a time for you to visit. You can read more about current services at https://www.louisville-library.org/about/visit-and-use-the-library/current-services.

Recreation & Senior Center
• The new August Catalog is online at [http://www.louisvilleco.gov/catalog](http://www.louisvilleco.gov/catalog). Registration begins as 12 PM on Friday, July 31.
• Starting in August, the Recreation & Senior Center will be open until 6 PM on Tuesdays and Thursdays.
• Check out the new Recreation & Senior website at [www.louisvillerecreation.com](http://www.louisvillerecreation.com)

**Open Space**

• July 31 is World Ranger Day and celebrated worldwide to commemorate rangers killed or injured in the line of duty and to celebrate the work rangers do to protect the planet’s natural treasures and cultural heritage. Today is an opportunity to recognize and support the vital work of rangers in our community, which also includes environmental campaigning and education. Thanks to the Rangers in Louisville, Boulder County, and around the world for protecting our planet’s cultural heritage and natural treasures! Can you spot our ranger in this video?
