COVID-19 Update

- On June 30th, Governor Polis extended Safer at Home and in the Vast, Great Outdoors until the end of July and announced that bars can no longer offer in-person services amid an increase in COVID-19 cases over the last few weeks. You can read more at https://www.louisvilleco.gov/Home/Components/News/News/4765/17.

- Local communities will eventually have the ability to enter the Protect Our Neighbors phase if they meet the thresholds defined by the public health orders. Thresholds include the community’s ability to contain surges in cases and outbreaks through testing, case investigation, contact tracing, isolation, quarantine, site-specific closures and the enforcement of public health orders. We’ve recently seen an increase in cases in Boulder County, so we may not see this next phase until we’re able to meet these targets.

- With more activities open and available to the public, it is everyone’s responsibility to do whatever they can to reduce the spread of the disease. Always stay at home when you are sick. If you go out, remember the big three: wear a facial covering, wash your hands frequently; and maintain physical distance with others.

- Extension of facial covering ordinance – City Council extended facial covering requirements until August 30th. As a reminder:
  - **Indoors in Louisville** - Facial coverings must be worn when inside a business that is open to the public, including an office or other facility where government services may be accessed.
  - **Outdoors in Louisville** - Facial coverings must be worn outdoors where social distancing of 6 feet cannot be maintained.

- **City Hall** is currently open for appointments on Tuesdays and Thursdays between 8 am and 12 pm. No in-person staff/team meetings should take place until further notice. Please avoid visiting offices within City Hall unless you have an appointment. The Recreation Center reopened on July 1st with restrictions.

- Starting July 13th, the Police Department and Court window will be open by appointment only for services not available online (Mon/Wed 10 AM-2 PM). Starting the week of July 13th, computer stations at the Library can be reserved for 2 hours Wed/Thurs/Friday 10 AM-6 PM. The Arts Center will also open for rental for groups of up to 10 people starting July 13th. In late July, the Historical Museum will offer tours by appointment for groups of 6 people or fewer. Water, wastewater and City Services remain closed to the public.

- The following facilities remain closed: Senior Center, splash pad at Community Park and Memory Square Pool (closed for the 2020 season). You can read the City's Phase II Reopening Plan, at https://www.louisvilleco.gov/home/showdocument?id=27599 along with the Phase I Reopening Plan.

- Please note the City’s reopening plans may change based on public health guidance. The City’s phased approach to reopen facilities and services is based on our commitment to protect City staff and residents, and in adherence with the most up-to-date State of Colorado and Boulder County public health data and orders. Public safety remains our top priority.

- For more information, visit the City’s website at https://www.louisvilleco.gov/covid19 and the State’s website at https://covid19.colorado.gov/. Many questions can be answered through these resources. If something is still unclear, you should call CO-Help at 303-389-1687 or 1-877-462-2911 or email cohelp@rmpdc.org. Call 2-1-1 or 1-866-760-6489 Monday-Friday from 8 am-5 pm for help and information for human and social services-related issues. You can also reach out online at https://www.211colorado.org/.

- Still have questions? You can call the Boulder County Call Center at 720-776-0822. Please note that specific legal guidance cannot be provided. The Call Center is open 8 am–6 pm, Monday-Friday. For non-urgent reports of violations/questions about the City’s facial covering ordinance, you can email us at cityoflouisvilleorders@louisvilleco.gov.
Recreation & Senior Center

- We’re excited to announce that family open swim begins on July 14th! Families have been eagerly waiting for the pools to reopen and staff has been working hard to put COVID-19 safety protocols in place to be able to provide this service again. Reservations are required. Learn more at https://processing.louisvilleco.us/webtrac/wbwsc/webtrac.wsc/search.html?display=detail&module=AR&primarycode=80006.

- The Recreation Center started in-person classes for preschool-aged children this week. The children had a great time playing, painting, story time and other fun activities outside together!

- We had another great turnout for our Chalk Contest on July 4th. Thanks to everyone for their participation and creativity!
Open Space

- Volunteers will be helping Open Space staff control noxious weeds on Davidson Mesa Open Space on July 11th. Pulling for Louisville is a new campaign to promote citizen engagement with the Open Space Integrated Weed Management Plan and to increase hand pulling and clipping, which reduces the need to use herbicides to control some noxious weeds.
